Saint Michael - A Remarkable Tradition

S.M.A.R.T.

In August of 1881, Sister Benedict Joseph Superior, Sister Mary Gabriel, and Sister Providence of the Sacred Heart, transformed a small building in Olympia into a makeshift Catholic school and convent. The building, called Providence St. Amable, opened its doors on September 18, with 35 girls enrolled.

Within a few years the sisters had raised enough money to purchase land on which to build a permanent school. Mother Joseph of the Sacred Heart planned and supervised construction of the new Providence St. Amable Academy, a two-story building to be located in downtown Olympia on what is now Capitol Way.

The Academy opened on February 13, 1884.

There were few amenities and no luxuries, but the building had larger classrooms and, for the first time, space for a chapel. In 1889, a fourth sister joined the faculty and boys were admitted for the first time. The high school program that continued to admit only girls, provided full academic preparation for careers in teaching and business.

The sisters, who wanted the poor to be able to attend their school, kept tuition as low as possible – \$1 per month for primary grades and \$2 per month for high school. In 1906, when Providence St. Amable Academy celebrated its 25th anniversary, the school had 103 pupils, 25 boarders, and a faculty of 7 sisters. Over time, the school became known simply as Providence Academy. During the 1912-13 school year, the sisters were joined by the school's first lay teachers. In 1914 the Academy built a new annex containing an auditorium, library, science laboratory and a separate dormitory for the sisters. In 1918 another classroom was built using wood from the old Catholic church.

Never a prosperous establishment, the school fell into debt

until 1926 when St. Michael Parish purchased it for \$11,000.

Parish administration discontinued the high school and student boarding, and the Providence Academy officially became St. Michael School.

The building, which had deteriorated during the Depression, was damaged by a fire in 1939. Planning for a new school began in January of 1949 with construction costs estimated at \$300,000. Four months later, an earthquake brought down the facades of many downtown buildings. While the school survived the quake, inspections later revealed considerable structural damage and the 2nd and 3rd floors were condemned. Construction of the new school was delayed as parishioners worked to make needed repairs.

In March of 1950, Father Michael O'Dwyer, representing Archbishop Connolly, broke ground for the new St. Michael School and Convent at our current location on 10th Street.

Classes in the original building on Capitol Way ended in June of 1951. That summer, supplies were transferred, desks were refinished and

the sisters moved into their new convent. The new St. Michael School opened just in time to accommodate the children of the post-war "baby boom" with 343 students enrolled for Fall.

The 1960s brought significant changes to the school. With fewer sisters available to join the faculty, the first lay principal was hired in 1968. Sisters continued teaching at the school until the early 1970s.

St. Michael School has built a legacy of Catholic education that is rich in tradition and dedicated to Catholic principles. We are grateful to all who have supported our school since its humble beginnings. Many thanks to our dedicated staff, parents, friends and alumni for helping us move confidently into the future.

Dear Friends of St. Michael Parish School,

Warmest greetings and blessings to you as you gather together tonight to celebrate our S.M.A.R.T. Gala. I am so very appreciative of your presence here at Indian Summer for an evening of delightful companionship, fine food and drink, much fun and generous giving on behalf of the students of St. Michael Catholic School, our parish school, our Family of Families.

I believe we are all aware of the great challenges that face Catholic school education in our time. Not only are there the ever present financial stressors, but even more disconcerting is the erosion of belief in God that at once are so subtle and yet so pervasive in our culture that make Catholic school education suspect.

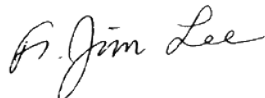

Often times when parents have not experienced the gift and immensely powerful experience of Catholic education and formation at a school like ours, their attitude can be dismissive because of what they may have mistakenly pre-conceive about a school such as ours.

Tonight is an opportunity to be strengthened in your conviction in what you have experienced for your children and yourselves at St. Michael Parish School. You know, through many moments and exceptional experiences, just how impactful our school community is. You know it when your children share the excitement with you on the ride home after school or around the dinner table or while doing homework together. You know it when they achieve beyond what you ever thought possible. You know it, not so much in the report card and the parent conferences, but you know it most especially in your heart and in the depths of your soul when you look into their eyes.

Please, spread the good news of St. Michael Parish School, from Pre-K to 8th Grade. Share with others what you have been gifted with. Invite others to be part of St. Michael, a Remarkable Tradition.

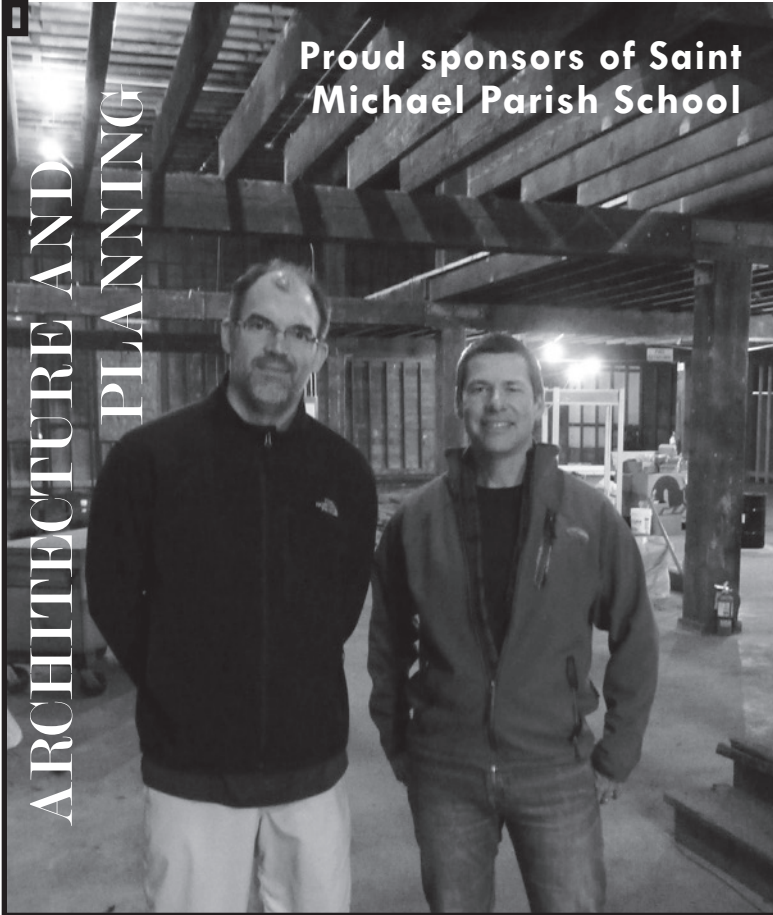

With prayerful gratitude for your presence, your support and your generosity.

Sincerely in Christ Jesus,

Fr. Jim Lee, Pastor

Dear Friends and Families of St. Michael Parish School,

Welcome to the 2017 St. Michael Parish School S.M.A.R.T. Gala! Thank you for the gift of your presence this evening as we celebrate our remarkable tradition of Catholic education. Since 1881, our school has served families in Olympia and Thurston County by providing excellent, Catholic faith-based education to their children. Our school's mission is built upon a shared commitment to the spiritual, intellectual, physical, social, emotional, and aesthetic growth for all of our students. Our entire faculty and staff are committed to partnering with our families to ensure that we are continually living this mission. Please know that your dedicated stewardship through the sharing of your time, talent, and treasure ensures a bright future for each of our students.

Over the past 28 years, your support of the S.M.A.R.T. auction has enabled the continual growth of St. Michael Parish School. Each year, half of our auction proceeds fund our Capital Improvements Fund and the other half builds our Endowment Fund. Through your kind generosity, our auction has funded such exciting projects as our playground, smart boards, public address system, security doors, covered play area, the drainage system for our playfield, and the incoming gym bleachers. Additionally, generations of students have been able to attend our school through tuition assistance generated by the auction. I want you to know that your participation tonight significantly impacts the lives of our students, directly enhancing their school experiences and allowing us to provide the best Catholic education possible. Whether you are new to the auction or have been with us for many years, please know that your support is deeply honored and recognized.

I would like to thank our S.M.A.R.T. auction co-chairs, Deborah and Chris Graver, and Debbie and Marc Defreyn. Their tireless energy, dedication to our school, and remarkable vision has led us to this exciting evening of stewardship and community building. I am grateful for the support of our parents, our teachers, our S.M.A.R.T. committee, our PTSA room reps, and all of our donors. Please join me in warmly thanking them for their service to the school. I am also appreciative of Fr. Jim's wise counsel and spiritual leadership in support of the auction. Lastly, please join me in thanking all of our school and parish families. The success of our S.M.A.R.T. auction only happens through our combined efforts as one parish family. Thank you for supporting us in our mission!

Blessings,

A Prayer for Grandparents

God, our heavenly Father, we ask your blessings on our grandparents. They are valued links between the past and the present. They are treasured gifts and strong models. May they be anchors that provide stability and a sense of identity for us. May their wisdom guide us. May their lived example challenge us. May their witness to their faith strengthen us. May they always be surrounded by the love, respect and support of their families.

Lord, bless and empower our grandparents. Keep them in your love. Give them your joy and peace each day, so that they may forever follow your son Jesus. Amen

A Message From Our Gala Chairs and Tonight's Fund a Need

Wilcomme, Karibu, Failte, Bienvenue to all of our Elite Travelers and Welcome to everyone from far away lands and right here at St. Michael Parish School. God welcomes us to walk in His path, sometimes in ways most unexpected. To have the honor of being your Gala Chairs this year was not a path sought, but one nonetheless that called us to serve in His name. We have tread wide and far to bring you this Passport to the World and we are pleased to reveal a place of wonder. This is your invitation to a night of exploration, adventure, and new experiences.

Thank you for your generous support of our most blessed gift, the children of St. Michael Parish School.

Fund A Need: Interactive Classroom Displays

Imagine a classroom where that innocuous whiteboard in the front the classroom can suddenly come alive. Where that whiteboard can be written on with a pen... or with a finger... and the work can be saved and continued another day; where that whiteboard can be used by two or more students simultaneously with 10 individual touch points registering concurrently; where that whiteboard can connect to a laptop and display lesson plans and activities in High Definition; where that whiteboard can play movies, display web content, and project through a document camera; where that whiteboard can be accessed by students through Wi-Fi tablets and information shared with the entire class; where that whiteboard can serve as an interactive tool facilitating collaborative learning among your children; and where that whiteboard can connect to accessories via Bluetooth, such as a digital keyboard, a lab sensor, accelerometer, etc. with nearly endless possibilities for unique learning methods and projects. That classroom is here and this year's Fund A Need can make it a reality at St. Michael Parish School!

Meet the Promethean ActivPanel.

This is an interactive flat panel to bring the future of classroom technology to our students. Our current interactive boards were purchased many years ago and reached their technology life cycle approximately three years ago. With aging projectors that have difficulty reproducing accurate color and sharpness, slow interfaces, costly replacement parts, and no way to upgrade or expand the hardware, it is time to take a leap forward in form and function.

The ActivPanel is full HD 1080p with anti-glare glass. It has multiple inputs, including HDMI and USB, as well as outputs. There is internal storage and SD cards can be used to expand its memory. The standard software suite is included so that teachers can continue to use current learning tools and many additional apps are now available for use with these boards that can be accessed without the use of an attached computer.

We have partnered with an advanced technology company here in WA to provide the ActivPanels, professional installation, and coordinate several days of training directly with Promethean experts. These are ready to be purchased and installed once the funds are raised. There are two target levels: 1) \$70,000 puts ActivPanels in all classrooms (K-8), Science, and Technology, and 2) \$90,000 puts four additional boards in Pre-K, Music, Library, and Resource Rooms.

Bidding Strategies and Auction Rules

AUCTION PREVIEW

- Before the live auction, tour the room and auction stage to get an up-close look at the excellent quality of the items displayed. Consult your auction catalog and note details such as restrictions, limitations and sizes at that time.

LIVE AUCTION BIDDING

- To bid, raise your bid card high, number facing the auctioneer.
- A bid acknowledged by the auctioneer, assistant auctioneer, or volunteer bid spotter is a legal contract to purchase the item.
- The auctioneer and organization reserve the right to reject any bid which is a minimal fractional increase over the prior bid.
- “Dream Value” is the minimum we hope will be paid for the item. “Fair Market Value” is the estimated retail value (provided by the donor). Some items have a “Reserve Price” below which the item may not be sold.
- Some auction items may involve a payout to the item vendor. The School keeps any funds bid above the payout amount. Item descriptions usually note any payout amounts so you will know how much of the winning bid is retained by St. Michael School.
- Items may be added to, or withdrawn from, the auction by the auctioneer or organization without prior notice.

COMBINED (GROUP) BIDS

Two or more people may make a group bid under these conditions:

IRS regulations stipulate that auction items be awarded to one purchaser only. Should two or more people wish to split the cost of an auction item, one bidder from the group must be designated as “purchaser” of the item.

The group “purchaser” must pay for the item in a single payment. The Bank cannot accept partial payments from group members.

The group “purchaser” can collect partial payment from others in the group and pay for the item in full at the Bank; OR pay for the item in full, then collect (partial) reimbursement from each member of the group. The group purchaser then gives each bidder a copy of the receipt.

SILENT AUCTION BIDDING

- Bid forms are displayed near each silent auction item. The form is a legal contract for the highest bidder to purchase the item.
- To bid on an item, write your bid number on the form opposite the amount you want to bid. Press hard (you are making 2 copies!)
- You may skip bid increments to a higher amount. The next bidder must bid at least one increment higher than yours to successfully outbid you.
- To ensure a win, write your bid number beside the “Guaranteed Purchase” price. Bidding on the item ends and you are the winning bid.
- The Silent Auction is divided into sections – each with its own closing time that will be posted and/or announced. You may bid on items until their section closes. Event staff will bring winning bidders a copy of their auction item’s bid sheet during the live auction.

PAYING FOR YOUR AUCTION ITEMS

- Auction purchases are final. No refunds/exchanges unless noted.
- Payment is due, in full, at the close of the auction.
- The Bank opens midway through the auction to accept payment from winning bidders. Multiple items may be purchased in a single transaction.
- Payment may be made by cash, check (payable to St. Michael Parish School) or credit using your Visa, MasterCard or American Express.
- Bidders registered for ExpressPay™ do not need to pay for items at the Bank. Paid receipts (and any accompanying gift certificates) will be delivered to you during the course of the auction.

CLAIMING YOUR AUCTION ITEMS

- Winning bidders are responsible for locating/removing their purchases from the premises. Claim any gift certificates at the Bank that are not displayed.
- Items left at the auction will be moved to the St. Michael Parish School office and may be picked up on Monday of next week.

REDEEMING GIFT CERTIFICATES

- Goods and services must be claimed and all certificates redeemed within one year of the auction date unless otherwise noted.
- Reservations for travel packages and vacation accommodations must be mutually arranged with the donor unless otherwise noted.
- Travel ticket are for coach class unless otherwise noted.
- No refunds on cancelled reservations for travel or accommodations.
- Travel pricing is subject to change, so donors agree to provide travel, as described, regardless of price increase/decrease. No refunds will be made for changes in value.
