# 2 SMALL GROUPS

Capture the truth...

1. How do we know that Jesus was both true God and true man?
2. How has Jesus redeemed us?
3. Why did Jesus do this?
4. Jesus' death is what paid for our sins. What does His resurrection show?
5. Because Jesus rose, what does that mean for us?
6. What is Jesus doing now?

# 3 AROUND THE TABLE

Reveal the truth...

As a family review the lesson.

Because of Jesus' sacrifice for us, we give our lives in service to Him. But often we serve Him best by serving those He has put in families with us and in the community around us. Meditate on the words of Luther's explanation to the Second Article. Then, as both individuals and a family, think of one or two ways you can respond to Jesus' love for you and your family by serving someone in your home and in your community, especially as we begin the holiday season.

Write down how, and who, you plan on serving this week:
