Please join the Summit Agape Girls as we dive into Lisa Harper's book, Hebrews: the Nearness of King Jesus. The book of Hebrews was written to remind struggling Christians that Jesus is both supreme and accessible. That message is just as true today as when it was written. Through video teaching and personal study women will be encouraged that Jesus wants to capture our hearts and be the hero of our lives. It's all about Jesus!

Study books will be available at our Intro gathering Jan. 9th. (Cost \$13) If you have questions, please email Cathy Langston, cdlangston5@gmail.com or call 817-313-6292. Can't wait to see you Tuesday, January 9th, 9:30, at The Summit.
