3 AROUND THE TABLE

Reveal the truth... This week in Wild Truth we studied the book of Galatians. This letter was written because Paul wanted to correct some false teaching in the church there. In this case, people were teaching that New Christians should have to follow the Torah and keep Kosher. Paul spent a lot of the book talking about how we are free in Christ and to subject ourselves to the Torah would be the same as saying that Jesus died for nothing.

How do you think the people reading the letter felt about this?

In Galatians Paul had to defend his teaching—do you feel like you can defend your faith? Why or why not?
