Major Themes

Thinking about what you've read or what was talked about in class, why do you think Paul wrote this letter?

## 2 SMALL GROUPS

**Capture the truth...** Look up each verse as a group and, in your own words, explain what it means.

- Philippians 1:21-26
- Philippians 2:1-4
- Philippians 3:4-11
- Philippians 4:11-13 (be careful, this verse is often misunderstood)

## 3 AROUND THE TABLE

**Reveal the truth...** This week in Wild Truth we studied the book of Philippians. This letter was primarily written in the spirit of thankfulness and encouragement. There are only minimal "issues" that Paul addresses. He talks about staying in unity with one another and how to settle conflict but mostly he is thankful for the blessing that the church at Philippi has been to him and he encourages them to continue to bless each other and stay true to Christ's Gospel.

How do you think the people reading the letter felt about this?

Who is someone who has encouraged you in your faith?  
Who is someone that you can be encouragement too?
