

Refugees continue to arrive in Fort Worth on a regular basis.

Your gently used household items assist Refugee Services of Texas in preparing apartments for these new residents.

These donations can be placed in the blue bins near the welcome center stairs. Please deposit only the following for refugees: sheets, all baby items (really needed), toys, and kitchen items such as dishes, pots/pans, glasses, and silverware. We will update this list if/when needs change.

For large items that cannot be delivered by car, please call Refugee Services of Texas at (817) 413-3772 to make arrangements.

Thank you for helping our new neighbors.
