2 SMALL GROUPS

Encounter the truth...

Read Acts 3:1-10

What words or lines jump out to you in the text? Why?

How do you think it would have felt to lay at this gate and beg daily for a little bit of money?

How do you think the lame man may have felt when Jesus was at the temple healing people, and yet didn't heal him?

Do you think the man thought at all about the time that Jesus didn't heal him after Paul and John did? Why or why not?

Capture the truth...

Have you ever had times in your life where God took a while to come through on something?

Would it have been the same if God had done something right away instead of making you wait? If not, what do you think would have been different?

Do you believe that God does things at just the right time? Why or why not?

3 AROUND THE TABLE

Reveal the truth...

Take a minute to review the lesson. In this week's story, a man who has probably felt overlooked time and again is healed. It is likely that Jesus had seen this man before, but didn't stop to heal him. Discuss the following questions.

Have you ever felt in need of help but ignored by the people around you? What happened?

Do you believe that God does things at just the right time? Why or why not?

What would it look like for you to have faith with the things in your life where God is at work, even if it feels like you are currently being "skipped" by him?
