Ardath Smith was raised by Christian parents. She gave herself to Jesus when she was ten. She graduated from Carnegie Mellon University with a Bachelor of Fine Arts in Cello Performance. Ardath completed a certificate program in

Christian Spirituality and Direction at Azusa Pacific University. She discerned the Lord calling her to support missionaries in their spiritual lives, and in 2001 she became a member of Church Resource Ministries' Staff Development and Care Team. Ardath presently serves on the team in a pastoral role and as a spiritual director, providing missionaries with venues for attending to their relationships with Christ, and supporting them through the challenges of cross-cultural life and ministry.

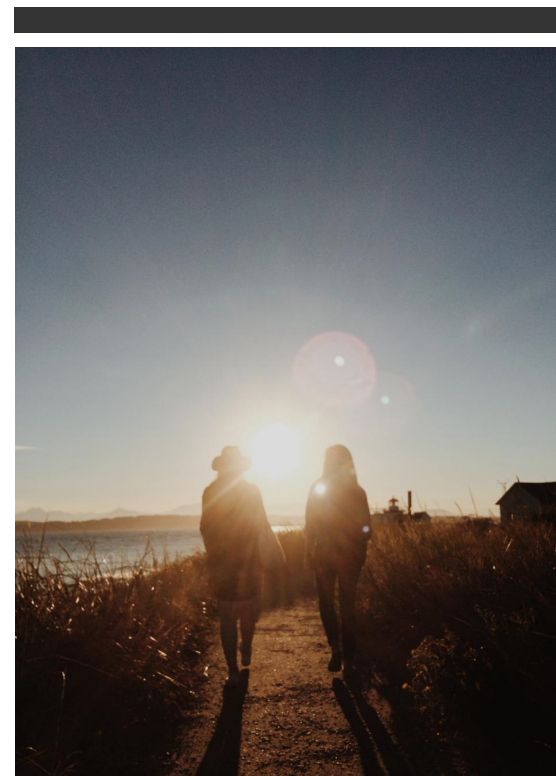

Raised in a Christian home Renée Smith recognized her need of the Lord Jesus around age 5. Her desire to play violin and viola spurred her to get a Bachelor's and a Master's degree in Viola Performance. In 1994, she redirected her

energies and completed a Master of Arts in Mission and Evangelism at Trinity School for Ministry (1997). She then worked and travelled extensively in the Muslim world for Frontiers USA (1998-2012). Renée trained in deep healing prayer under Rita Bennett in 1994. She is also trained in more intensive spiritual warfare and freedom ministry through Freedom Encounters. Training during the Frontiers years encompassed debriefing missionaries, grief management, peace making and listening skills. In 2013 Renee entered the single consecrated life and hopes to immigrate with Ardath and others to North Wales in late 2016 to establish a community of prayer.

Loving Jesus

A weekend away to retreat with Jesus

LOVING JESUS

A weekend away to retreat with Jesus.

- **What is it that you love about Jesus?**
- **How well do you feel you know Him?**
- **What can you count on Him for?**

Come invest in your relationship with Jesus. Reflect with us on how He loved women as recorded in the Gospels. (*You might be surprised!*) Discover the kind of women He hung out with, taught and healed.

We will take time for creative activities indoors and out at the well appointed Evergreen Camp and Conference Center in Oakhurst, CA. We will have time in solitude and quiet reflection as well as time to share with each other.

Come and learn more about who Jesus is, what He does & how He **LOVES** you.
