Enriching & Encouraging Journeys of Faith

The people of St. Paul's Church are called to celebrate the Creator of all, to sustain each other in community, and to live out the compassion of Christ in the world.

Celebration

Our celebration is centered in the Christ who draws all people into a journey of faith. As we celebrate the occasions of our lives, they weave together to form the tapestry of our common life. We gather in worship and prayer, enriched by the beauty of our tradition, offering our gifts of imagination and creativity.

Community

We are a welcoming and inclusive community. We strive to encourage and support all people in their individual and diverse journeys of faith. Together we teach and learn, laugh and cry, discover our similarities and explore our differences. We offer each other our care and support in all the stages and challenges of life as we journey toward wholeness of body, mind and soul.

Compassion

In response to God's powerful and transforming presence, we seek and serve Christ in all people. We strive to uphold the dignity of every person, to live our lives as the human expression of God's love in our community and to participate in the healing of the world. Together we work to understand the difficult issues and choices of life. Whether we find answers or agree to live with the questions, we are committed to responding with the compassion of Christ.
