

Based on St Paul's Income projections for 2011, the Adult Choir Director and Choir Accompanist positions were not funded in the 2011 general budget. However, by resolution passed at the Congregational Meeting on December 5th, a "Restricted" fund account was approved for accepting pledges or donations for these positions. The funding goal for 2011 is \$6000. As of Dec 6th, \$3000 has already been received. Gloria Randle (884-3253) and Wayne Kinder (882-6538) have been designated to accept your donations or pledges. Checks should be made out to St. Paul's Lutheran Family with "Adult Choir Dir./Acc." in the Memo line. Any excess funds in this account will carry over into 2012. To avoid negatively affecting the rest of the budget, it is requested that your donations to this fund will be in addition to your regular giving. While this solicitation is open-ended, to avoid a long lapse without a choir, it would be ideal to have all pledges or contributions by the end of December.
