## Building on Our Strengths

By Pastor George

As many of you have discovered over recent years, worship services at St. Paul's are one of the many strengths in our congregation. The welcome people receive from other worshippers, a preferred style of worship that's offered, impactful music, inspiring worship and practical-applicable biblical messages are just a few of the reasons you repeatedly worship or invite friends to worship; they may well be one of the reasons you see your friends return, too. Worship is a strength through, and with, which we continually strive to honor the Lord and bless others!

Authors like Steven Covey, Marcus Buckingham and Jim Collins have written widely in recent years about the importance of organizations (including churches) building on their strengths. So often it's tempting to rest on your laurels, or ride the waves of past momentum, which inevitably leads to complacency and decline/weakening. This we want to avoid!

In 2011, per the request of the congregation, we moved from having two identical services which utilized a blend of traditional and contemporary elements toward two unique services, one more traditional (9am) and the other more contemporary (10:30am) - with the scripture, theme and message being the common link in each. Did we do this because one style is "better" than another? No, to do so would be elitist and would discount the power of God at work in each of the styles.

Offering two styles of worship allows us to reach people where they are and with a style of music/hymnody/liturgy that they prefer so that the Gospel (Good News) of Jesus Christ can be shared and worshippers' faith strengthened. Since we are a multigenerational church we will continue to strengthen each worship service in attempt to glorify God and lead all generations into deeper worship and increased faith.

We have recently seen God draw many people to St. Paul's (on June 17, seventeen new members were received), and the Lord has led numerous new & long time members to partner with many others in helping to lead worship at 10:30 - both musically and vocally. Because of this, and wanting to lighten her work load, Sally Rohe (our accompanist) has asked to take a break from playing for the 10:30am worship service beginning in June (she will only be playing for the 9am service). In talking with Sally, she mentioned that she would like a break from Wednesday rehearsals and since she was playing at 9am she was not able to "warm-up/Rehearse" with the 10:30 worship team.

Sally has already started giving greater input into making our 9am more traditional worship service stronger - from making suggestions regarding hymns to scheduling and coordinating special music. Again, our goal is to continue to make each service stronger while at the same time understanding we will never be able to have everyone's favorite hymn/song every week, nor will every song be familiar to everyone. There may even be weeks that there are sound or projection issues. We will work through such challenges, hopefully with advanced-proactive planning as well as positive corrective responses when such needs arise.

My hope as your pastor is that each week God would lead us in creating environments that are worshipful for you, that would encourage you to invite unchurched friends and that would continually enable us all to grow stronger in our faith, closer to our Lord, and inspired to live life to the fullest.

Together, with God's help, let's continue to build on our strengths!

### Adult Social Connection

In the Good Ole Summer Time.... lives are busy with vacation, family gatherings, fairs, and so much more.

Even though we enjoy gathering with those from church, the busyness of the summer takes precedence. We who plan these activities are in that same busyness.

We have an opportunity where we can connect throughout the summer being the "Concert In the Park". The Marthasville Chamber of Commerce partnering with the Warren County Fine Arts Council has upcoming scheduled concerts on the Fourth Friday in July (27<sup>th</sup>, Music: "Red Hill Grass") and August (24<sup>th</sup>, Music: "ONYX") at the Marthasville City Park Pavilion at 7:30pm. Food & soda is available from local organizations. Personal coolers are allowed. We encourage you to attend and enjoy the evening with music, food, and a social connection opportunity.

We are planning a winery trip in September - look for future announcements. In the mean time enjoy the Good Ole Summer Time.... and we'll see you around!

## Prayer Ministry

### PRAYER WALKING:

We will continue to prayer walk Marthasville throughout the summer. All are welcome to join in this ministry of prayer as we spread the "fragrance of the knowledge of Christ" throughout the community. Join the teams on the scheduled Tuesday evenings or see Billie for more information! "You show that you are a letter from Christ ...not written with ink but with the Spirit of the living God, not on tablets of stone but on tablets of human hearts." 2 Cor. 3:3

### HEALING PRAYER:

A time is set aside on the 4th Tuesday of each month for us to come together to pray for those who need healing. The prayer requests continue to come in for this need at a steady rate. Come to receive prayer or to pray. "Is any among you sick? He should call in the church elders and they should pray over him, anointing him with oil in the Lord's name. And the prayer of faith will restore him." James 5:14

### FAMILY FOCUS Prayer Event: Tuesday, August 14th! 7:00-8:30 PM

This is an opportunity to come together to pray for our families: for marriages, for children going back to school, for family relationships and needs, for wayward children and backslidden adults. There are many needs in the family in this day in which we live. This is a time to come-and-go between the hours of 7:00 and 8:30 PM at your leisure--bring your family and present yourselves before the Lord, or just come on your own and pray. "As for me and my house, we will serve the Lord". Joshua 24:15

## **JULY EXTRA-STEP GIVING EMMAUS HOME - MARTHASVILLE CAMPUS**

Throughout its 119 year history, many former and current members have spent their careers working to serve the folks that call Emmaus "home". The church has also partnered (financially and with volunteering) to provide residential services and supports to several thousand persons with developmental disabilities. Residents usually come to Emmaus to live when they no longer have family or for many reasons the family can no longer care for them. Today, Emmaus serves over 240 adults on two campuses. Most residents receive 24 hour support with their various needs. Many require assistance with bathing, toileting, meals, etc. while others may only need help with decision making and balancing their checkbooks. The average age is about 58. For many, Emmaus and the church is their FAMILY. With your help, Emmaus will continue to be able to provide loving and compassionate care. Thank you to all at St. Paul's for all you do to make this ministry possible.

To contribute to this extra step offering, please note "Emmaus" in the memo of your check or on your offering envelope.

## **AUGUST EXTRA STEP OUR CHURCH'S WIDER MISSION**

OCWM Basic Support provides funding for vital ministries to local churches and Conferences. Congregations send their OCWM gifts to the Conference. Each Conference decides what percentage of those gifts to keep for the work of the Conference, and what percentage it will send to the national setting of the UCC. We at St. Paul's Church Marthasville, support OCWM in the following ways: A percentage of St. Paul's general fund is given each month to OCWM, contributions from individuals in our church throughout the year, and all extra step donations during the month of August. For Extra-Step gifts, please make your check out to "St. Paul's Church" and "OCWM" in the memo line.

## **The Time Has Come**

By Nathan & Jennifer Walker

We are excited to announce that the time has finally come. ***We are scheduled to relocate to FamilyLife's headquarters in Little Rock Arkansas in July!*** The week following Memorial Day we were invited to bring our entire family to the headquarters to determine exactly how we would serve at the ministry. I (Nathan) have always felt the Lord directing me to use my technical skills in the Internet/Technology field but until this point, we did not know exactly how.

Our resumes caught Dennis Rainey's attention and he asked to have a meeting with us. Dennis is the Founder/CEO of FamilyLife. We talked about the need for FamilyLife to be using new technology in order to learn the needs of families today; and then use various forms of technology to help reach families more effectively all around the world. FamilyLife determined that the best way to use my technical skills was to develop a new position that will work across various departments. My job will be to use/adapt new technology to help make FamilyLife's resources and outreaches more impactful and effective. I am very excited to plug-in and start working to make this vision a reality. Since Jennifer is gifted in the aspect of connecting with people and encouraging others, she feels the position of a "Homebuilder Coach" fits her best. A Homebuilder Coach is someone that helps local churches and lay-leaders develop a strong marriage/family ministry in their church or community.

"Everyone who hears these words of mine and puts them into practice is like a wise man who built his house upon the rock." Matthew 7:24

***Our desire is that families will no longer build their houses on the sand, we want to show them how to build their houses on the SOLID ROCK of Jesus Christ! Thank you St. Paul's, for partnering with us to make this ministry possible! We greatly appreciate your love, prayers, and support!***

Nathan and Jennifer Walker are Missionaries with FAMILYLIFE®. They are working to make Every Home, A Godly Home! You can find out more by visiting: [www.njwalker.com](http://www.njwalker.com)

***NOTE: A special Commissioning Service will be held on July 15 during each worship service with a reception after each service. Ministry Partners will be recognized and Nathan & Jennifer will share concerning "what's next" for them.***

## Making A Difference!

St. Paul's Mission Committee

During the month of May, our Extra Step offerings went toward purchasing "Water for Life" devices through Compassion International. Each of these units can serve an extended family for at least one generation, if not multiple. You, St. Paul's Church, donated \$1410 toward the purchase of 25 of these units for households in Africa and other places around the world where unclean water is a health hazard. Imagine the relief of 25 families, especially as they watch their children drink clean water and are far less concerned about potential "health time bombs". Thanks, for making a difference!

# Upcoming Events

**BRING-A-MEAL Sunday** is July 1. As part of our ongoing mission to and with our community, please share non-perishable food items that would make up one meal during the day (Breakfast, lunch or dinner) or various toiletry needs. These items go to the Southern Warren County Food Pantry here in Marthasville, serving those within the 63357 zip code. Thanks for caring and sharing!

## SummerSong

## Chicken Dinner

It is time again to get ready for our annual St. Paul's United Church of Christ Chicken Dinner on September 16, 2012. Anyone interested in being on the planning committee please contact Brenda Garris at 636-433-5835 or 636-359-4147 or at church. Thanks to everyone in advance for their help in making our Chicken Dinner a success!!

## Shannondale Trip August 24-26

Youth will join with many adults from St. Paul's. We will depart Friday evening after school and head down to Salem, MO. We will help with end-of-the-season clean up, with winterizing the facilities, and even some repair work to the campground.

## The Women's Guild annual salad

**luncheon** will take place on Wednesday at 12 Noon on July 18th in Fellowship Hall. This is two weeks later than usual due to the holiday followed by a week of Bible School. All women of the church are invited to attend as well as our friends from neighboring churches. Our theme this year is "Aprons" so wear your favorite one and join us for good food and a fun program. If you will attend please sign the list in the church lobby or call Wilma Zeh at 636-433-2626. Guild members are reminded to bring two salads for the meal.

## Creative Hands Fellowship Group

July and August are lazy days of summer (also very busy). If you have some "down time", join our group on the second Wednesday of each month from 6:30-8:30 p.m. in Fellowship Hall. If you are presently working on a project, bring it along; otherwise, it is time to pull out that unfinished project that you keep meaning to work on. We would love to have you join us. If you have any questions, please call Cathie (636-359-6175) or Barb (636-239-2390). Hope to see you on July 11<sup>th</sup>.
