*A Loving Church, Making a Difference in the World*

### Letter from the Pastor

Wasn't our Chicken Dinner a wonderful event? It always is, of course, but this year there was something special about it. What I noticed is how relaxed and at ease everyone was. I remember my first Chicken Dinner as your Interim Pastor. It was a good day, everyone turned out to help, the food was good, and everything seemed okay, except that almost everyone who came to eat asked me how you were managing after the "split." The look on your faces was one of determination and grit. This year no one asked me how you were doing. Everyone could see that you are blessed and doing great. Your good nature and graciousness was on display. No one seemed stressed out or frazzled. Everything ran smoothly and if there was a glitch, someone stepped in to help—happily, I might add. I feel like the Lord has been good to us and it really showed. Thank you to everyone who helped work, plan, serve, cook, clean, eat and contribute to this year's Chicken Dinner. You all did a great job! May God continue to work with us and through us for the sake of the church and the community we serve.

I want to share with you a report back from the Heritage Cluster's "Faith in Action" weekend, which falls on the weekend of our Chicken Dinner. Even though we were busy with the Dinner, our contribution to the "weekend" was significant. We helped by collecting cans of spaghetti sauce and canned chicken. These items will be distributed to local food pantries. Some of our members joined the weekend's Hymn Sing Team. This team brought their gifts of music and song to the residents of two nursing homes in Washington, MO. We prepared carry-out dinners for 28 shut-ins. Mostly, however, we contributed by playing host to the 40 or so volunteers who gave up their Saturday and Sunday to work in various ways around the community. We fed those who had worked in the heat of the day doing special projects, and we opened our sanctuary to the volunteers and their clergy for a closing worship. I can tell you that everyone at that worship was thankful for the hospitality they received and felt from the good folks at St. Paul's. I am very proud of you!

Please read the news article submitted about the Faith in Action weekend. (*"Local UCC Churches..." pg. 6*)  
Many Blessings,  
Pastor Donna

### October Extra Step - Operation Christmas Child

Samaritan's Purse is a nondenominational evangelical Christian organization providing spiritual and physical aid to hurting people around the world. Since 1970, Samaritan's Purse has helped meet needs of people who are victims of war, poverty, natural disasters, disease, and famine with the purpose of sharing God's love through His Son, Jesus Christ. The organization serves the church worldwide to promote the Gospel of the Lord Jesus Christ.

Operation Christmas Child (OCC) gives gift-filled shoe boxes and gospel booklets to children in desperate situations around the world, some of whom are refugees of civil war, while others are survivors of a natural disaster or victims of extreme poverty. OCC is often described as a simple, hands-on mission that aims to teach young people about the power of Jesus Christ and his healing touch. The boxes often contain small toys, stuffed animals, school supplies, personal hygiene items, and hard candies. Visit them on their website: [www.samaritanspurse.org/occ](http://www.samaritanspurse.org/occ)

## HALLOWEEN FUN FACTS:

- The traditional Halloween colors of orange and black come from two different sources. First, orange is the color of autumn leaves and pumpkins, which have come to symbolize Halloween. Black is the color of darkness and mystery, which matches the theme of ghosts and other spooky creatures at Halloween.
- There is no scientific proof that ghosts exist; however, there is a field of study called parapsychology that is dedicated to studying spooky phenomena like ghosts and psychic powers. Parapsychologists use scientific method to explore strange phenomena and learn more about things like ghosts.
- Halloween was originally a pagan holiday to honor the dead, and the holiday was known as All Hallows Eve. The date, October 31, is the last day of the Celtic calendar.
- Wearing masks on Halloween is an ancient Celtic tradition. Ancient Celts believed that ghosts roamed on Halloween, and they wore masks to hide from the spirits.
- Vampire folklore comes from Romania. Romanians in the 18th century believed that the dead could rise after death by suicide or other suspicious circumstances and feed on the blood of the living.

## Local UCC Churches Put Feet to Their Faith With 10<sup>th</sup> Annual Weekend of Service

On September 17<sup>th</sup> and 18<sup>th</sup>, over 50 members from local United Church of Christ congregations donned bright orange t-shirts for the tenth annual Faith in Action weekend of service. Members formed teams and spent the weekend doing service projects throughout Southwestern St. Charles County and Southeastern Warren County. This annual program began in 2007 as an off-shoot of mission trips to the New Orleans area following Hurricane Katrina. Participants wanted to share that same spirit of giving here in our local communities, and are proud that the tradition has resulted in a decade of focused service.

Volunteers of all ages spread throughout the area to provide helping hands and smiles to area residents by participating in these projects:

- The Hymn Sing Team made a little joyful noise. They sang old time hymns with residents at two nursing care facilities in Washington, MO.
- The Odd Jobbers Team helped with various tasks at Our Lady's Inn located in Defiance, MO. The volunteers helped tag items for sale at fundraising events and prepared lunch for the residents and staff.
- The Assembly Team assembled 100 food boxes and 40 hygiene kits. The food boxes will be distributed to local food banks throughout Missouri and the hygiene kits will be distributed through various service agencies around the globe.
- The Helping Hands Team worked at the Emmaus Homes Marthasville campus. They did yard work around the Friendship Pond located on the property. The pond was donated to the residents by the Missouri Department of Conservation Department and had been neglected in recent years. Thanks to the work done by the volunteers, residents can once again enjoy the peaceful setting.
- The Meal Delivery Team hit the road to deliver 28 chicken dinners to area homebound neighbors and friends.

These UCC churches are part of the Heritage Cluster. Participating churches included Ebenezer UCC, Augusta; Faith UCC, Wentzville; Femme Osage UCC, Femme Osage; Friedens Peace UCC, New Melle; Immanuel's UCC, Holstein; St. John's UCC, Cappeln; St. Paul's UCC, Defiance and St. Paul's UCC, Marthasville. If you'd like more information on any of these churches, or have a service project you'd like them to consider, contact the Friedens Peace UCC church office at 636-828-5980 or email [friedenspeace@gmail.com](mailto:friedenspeace@gmail.com).
