

St. Simon's on the Sound Episcopal Church

Pastoral Care

If you or another parishioner is hospitalized, ill, hurt or in any way in need of an expression of care and support from the parish family, please let us know. A Pastoral Care Team member is on call each day of the week. Simply call one of the numbers listed below to get in touch with the person on call.

St. Simon's Office	244-8621
Mary Hauge	314-7513
Carol Murphy Greene	496-7723

Here are some examples of times when you may want to contact us...

- If someone in your family becomes critically ill, is in crisis or is near death, call the church immediately. During office hours, your call will be forwarded to a member of the clergy. After hours, please dial the office number (244-8621) and follow the instructions provided on the automated system. Your call will be returned by a member of the clergy.
- When someone in your family has been hospitalized, call the parish office. Patient privacy laws do not permit the hospital to contact the church. Therefore, we have no way of knowing about a hospitalization unless we are contacted by the patient, family or another source.
- If you or someone in your family is having surgery, please notify us in advance of the scheduled event.
- When a child is born, please call us. We'd like the chance to acknowledge the event and celebrate the new addition to our parish family.
- If you'd like to include someone on the Parish Prayer List, call or drop by the office to add the name.
- When something wonderful is happening in your life, let us know! . We are there for you in the difficult times . . . and we'd like to be celebrating with you in the joyful times.
