## 1. Reaffirmation

Friends,

In October at the Annual Meeting I told you the story of a young man speaking at a diocesan conference recently who confessed as a child he thought whenever he heard people in church say "Amen", he thought they were saying "I'm in". I then challenged us all to be "all in" for St. Simon's, to recognize a new day, a new spirit, renewed energy and life. I asked each of you to pray and consider your Amen to mean "I'm in" too.

If that fits you, and I hope it does, we have a public and liturgical way to say it. When Bishop Kendrick is with us for Confirmations on April 23, those of you who are already confirmed or received but want to publicly affirm that you are "I'm in", can be presented for reaffirmation. Quite a few people from the Episcopal 101 class are doing so. If you would like to join them, please let me know as soon as possible. It also would be quite helpful, if you can, to attend the Episcopal 101 class the next two Sundays.

Contact me if you have questions. I AM IN - I hope you are too.

Fr. David+

## 2. From Van Fuller, Senior Warden & Stewardship Chair

Stewardship Update. Our parishioners and attendees made our 2017 stewardship campaign a resounding success with pledges amounting to \$535,400. Please remember that your pledged amount is for calendar/tax year 2017. This represents a 13% increase in pledges from 2016 and equates to about a \$100,000 projected increase in income for 2017. The finance committee will assess the parish's financial position and recommend any changes to the Vestry. Thank you for your prayers for the campaign, thank you for prayerfully sharing your treasure, and praise God for providing for the needs of the church!

## 3. Collegiate Challenge Thank You!

For more than a decade, St. Simon's has served as a regional host site for Collegiate Challenge. Through this annual Habitat for Humanity event, college students are challenged to do the difficult and the unusual. They are asked to forego the customary practice of partying over spring break and, instead, commit their time to building homes for people in need.

Earlier this month, a contingent of students from Thomas More College in Kentucky arrived in the area to participate in Collegiate Challenge. These students drove 1100 miles, travelled at their own expense and spent their entire vacation week working to build a Habitat home in Crestview.

Throughout the week, the students worked competently and hard. They shingled the roof, dug trenches, and attached and painted exterior siding.

What they accomplished at the job site was truly astounding. But equally astounding was the job accomplished by the staff and parishioners back here at the host site. Your assistance and your hospitality did more than simply make the accomplishment of these students possible. It made it rewarding. It also made it enjoyable.

With one exception (a graduating senior) each of the visiting students expressed the hope that they would be invited back to Collegiate Challenge and more specifically, invited back to St. Simon's. One of their accompanying professors had this to say about the hospitality afforded by this parish: "You people are amazing. I had been here less than 45 minutes and already I was feeling at home."

Thank you to our staff members and fellow parishioners for your generous care and warm hospitality for this visiting group. Indeed, you made us shine! More so, you once again demonstrated that St. Simon's is truly what it claims to be: *A beacon of God's love shining here on the Emerald Coast.*

#### 4. Invitation to the Apocrypha

Thursday Mornings: April 27 – May 19, 2017 from 9:00 – 10:30 am in the Parish Hall. The Old Testament Apocrypha are sometimes called "books between the testaments." These early Jewish writings, generally composed between the time of the last books of the Hebrew Bible and the writings of the New Testament, provide a fascinating theological bridge between the Testaments by showing how the traditions of the Hebrew Scriptures were carried forward in the Second Temple, and they generally illumine the world in which Jesus and the New Testament writers lived and worked.

**Week 1** – Tobit & Judith

**Week 2** – Baruch, Susanna, Bel and the Dragon  
(It is helpful to read Daniel in preparation for reading these latter two books)

**Week 3** – 1 Maccabees & 2 Maccabees

**Week 4** – 1 Esdras & 3 Maccabees

PLEASE SIGN UP FOR THIS CLASS OFFERED BY  
DEACON CLELIA IN THE CHURCH OFFICE.

#### 5. Plastic Easter Eggs and Candy Needed!

Plastic Easter eggs and individually wrapped candies are needed for St. Simon's Easter Egg Hunts next month! Eggs and candy may be dropped off at the Church office, by **Maundy Thursday, April 13<sup>th</sup>**. If you have any questions, please contact *Ansley Walker* at [educ@stsimons-fw.org](mailto:educ@stsimons-fw.org) or 850-545-1003.

#### 6. Helping Our Partner School

As you walk through the atrium, you will hopefully notice a brightly colored box marked SCHOOL SNACKS. This box serves as a collection point for individually packaged snack items like raisins, cheese

crackers, pretzels and fruit roll ups. Snacks collected in this box are regularly delivered to our partner school, Elliot Point Elementary. The snacks are always welcomed. They're always needed.

School staff need these snacks. They need them because too often, students come to school without breakfast. They need them because too often, students come from homes where there's not enough food. They need them because, without them, caring teachers are digging into their own pockets to ensure that students don't go hungry at school. Hungry students don't do well in school. They can't stay focused. They struggle to learn.

The Outreach Commission has made a commitment to help address this ongoing need for snacks in our partner school. We, in turn, need your help. Try making it a habit to regularly place something in the SCHOOL SNACKS box. Do it because you care about kids. Do it because you care about our schools. Do it simply because your big heart wants to have a part in helping to shape little minds.

#### 7. Meeters & Greeters Needed!

Please sign-up to be a meeter/greeter as we start-up our new Front Door Ministry. Teams will be set-up according to service times and will rotate on a 4-6-week schedule. There is a sign-up sheet in the Atrium. PLEASE JOIN US!!! For questions, contact Elle Estes at (850) 830-0170 or [elleestes5@gmail.com](mailto:elleestes5@gmail.com).

## 8. UTO Box Update

*Spring end gathering for UTO will be on April 23<sup>rd</sup>, and envelopes for your checks will be available in the pew racks.*

---

Grab UTO box and every time you think of something you are thankful for during Lent, put some money in it. We will gather the boxes after Easter.

### What is UTO?

United Thank Offering is ministry of the Episcopal Church for the mission of the whole church. Through UTO men, women and children nurture the habit of giving daily thanks

to God. These prayers of thanksgiving start when we recognize and name our many blessings. Those who participate in UTO discover that thankfulness leads to generosity. UTO is entrusted to promote thank offerings, to receive the offerings, and to distribute the monies to support mission and ministry throughout the Episcopal Church.

*From small coins, come big things. Be thankful in all things!*

## 9. Stations of the Cross

***WHEN? Wednesdays at 5:00 p.m. from  
March 8<sup>th</sup> – April 5<sup>th</sup> (5 Wednesdays)***

Stations of the Cross or the Way of the Cross, also known as Way of Sorrows or Via Crucis, refers to a series of images depicting Jesus Christ on the day of his crucifixion and accompanying prayers. The stations grew out of imitations of Via Dolorosa in Jerusalem which is believed to be the actual path Jesus walked to Mount Calvary. The object of the stations is to help the Christian faithful to make a spiritual pilgrimage through contemplation of the Passion of Christ. It has become one of the most popular devotions and the stations can be found in the churches of many Western Christian denominations, including Anglican, Catholic, Lutheran, Methodist, and Western Orthodox parishes.

## 10. Requesting Input from Ministries on Nave Ceiling

## Renovation

We have started a work plan for the Nave Ceiling Renovation project that is currently scheduled to begin in May. This project will require us to completely move out of the Nave for approximately 2 months while work is underway. During this time all worship services, weddings, memorials, etc. will be held in the Chapel or Parish Hall. We need to get input, concerns and issues from our key ministries to be sure that we don't overlook anything in our preparation work, and that we have a well thought out and comprehensive project plan put together. In addition to the internal work, we will also have construction related restrictions that will reduce parking spaces, as well as change what doors may be used to access the church. Please contact Steve Larson, Parish Administrator to learn more about the project and to be sure your ministries needs are considered during this important project.
