Welcome to the ministries and groups of St. Wilfrid of York Episcopal Church

*St. Wilfrid's is a Christian community
seeking to know and unconditionally
share God's unfailing love.*

In these pages, you will find a listing of the ministries of St. Wilfrid's Church. They tell an age-old story of the people of God responding to a call—a call to reach beyond themselves, to expand their horizons, to test a feeling that there is something they are supposed to be and do.

For some, it started as a vague inner wondering that grew into a stronger and clearer sense of purpose; for others it was clear from the beginning what they wanted to do. For all these ministers, activities at church and in the world stem from one source—a common desire and commitment to love our God and our neighbor.

It is this desire and commitment to love that leads our people to worship, to pray and to sing, to learn and to teach, to share concerns and laughter, to work for justice and the healing of the earth, to reach out to others in welcome, in prayer, in healing and in reconciliation. We believe that Christ's life-changing love is too great for any one of us to hold within; that it comes to us on the way to someone else, and that the ministries on these pages are our way of letting it flow through us.

We invite you to find yourself in these pages, to find named here your own inner call to live more abundantly and with a greater sense of meaning. If you see a ministry that interests you, contact the ministry coordinator whose name and e-mail address is listed. It is only by each of us offering our gifts that all of us can pass along Christ's love, which changes our lives, and the lives of all whom it touches, in miraculous ways.

It brings us together in a way that prevents the least among us from falling through the cracks. CareNet opens channels of communication we might not otherwise pursue . . .
