In a social media-centered world, the smart phone seems to have become a cultural rite of passage for kids. How can this generation of parents blaze a new trail to equip their kids to thrive in an ever-changing digital environment while steering clear of the dangers that lurk nearby? With six kids, Kirk Cameron fully understands this dilemma. So, he went to the experts, and what he learned will enlighten, challenge, and encourage parents. And best of all: it can help strengthen your family.

**We'll be taking a group of parents
(all ages) on Feb 27th to watch
Kirk Cameron's
"Connect" - Parenting in a digital age.**

It's showing at Coldwater Theater on Feb 27th and March 1st. 7 PM.
Tickets \$12.50.Pre-order tickets suggested. Sign up on the bulletin board or let Lory know if you will be attending.
