

ATTIRE

Really! - Come as you are!

You won't be judged whether you are in your three-piece suit or your jeans. There are folks from all walks of life and areas of the department store at Sugar Hill Church.

Our 9:30 crowd favors a bit of the "Sunday Best" tradition. The majority of the 11AM audience in the Worship Center is mostly casual (and occasionally tattooed) with a smattering of business attire. In either case jeans and shorts are among the crowd every Sunday.

So what should you wear?

Whatever you want.

Be comfortable, we really are cool with it.
