

Dear Friend,

Thank you for your interest in Sugar Hill Church!

This is a special place, a place that you can call home, a place where you will be welcomed - just as you are. This is a place where you will never have to be one-way "here" and another way "in the real world."

Your kids will love their programs and we will love you!

I would love to meet you before or after one of our worship services, and hope to see you here soon.

Here are a few things that might assist you on your first visit to Sugar Hill Church.

- Guest Parking is in the front of our church. Please use it, it's there for you!
- See one of our greeters at any door and ask for directions or assistance in finding your kid's rooms.
- Settle in and have a great day with a great community church.
- After the service, please stop by our hospitality room and introduce yourself to myself or one of our other pastors and ask any questions you may have, we'd love to meet you!

People often ask me about what kind of church we are. The answer is rather simple. We believe the Bible is God's Word. That it is our direction for life, love and leadership. As a result, we want to honor God in all that we do. To do that means that we believe that Jesus is God's son, and He is our only way to be in a right relationship with God. To honor Jesus, we attempt to do what He told us to do - Love God and Love Others. So we are a church that "Believes God's Word, Honors Jesus and Serves Others."

If you are looking for a new church home or just looking for a fresh start in life, please make yourself at home. If you need a pastor for any reason, I would be honored to be your pastor and serve you in any way that I can.

See You Soon,

Chuck Allen
