Easter Invitation

Easter provides a natural time to invite someone who may not know Jesus to a church service. Be thinking how you can bring a friend, co-worker, or family member with you to church this Easter. It could change their life forever.

God's Word Will Transform Your Life by Rick Warren

"If you abide in My word, you are My disciples indeed. And you shall know the truth, and the truth shall make you free." (John 8:31b-32 NKJV)

Nothing can change the lives of people like the Bible. I've seen alcoholics and addicts get their lives sober and clean because they started reading the Bible. I've seen God's Word change self-centered, narcissistic men who abuse and misuse women into godly husbands, wonderful dads, and upstanding citizens in the community.

Laws can't change human hearts. If I believed they could, I'd be a politician. I have zero faith in politics to actually change the greatest problems on the planet. You can make laws to outlaw racism and bigotry, but no law will turn a bigot into a lover of people of other races. Only God can do that.

Jesus said it like this in John 8:31-32: "If you abide in my Word, then you are My disciples indeed. And you shall know the truth, and the truth shall make you free" (NKJV).

Secular universities all around the world have the second half of that verse printed in stone on university buildings: "The truth shall make you free." But those same universities ignore the first part of the verse. Your own opinions and the opinions of others won't set you free. Only the Bible will. Even when obeying the Bible is hard and uncomfortable, it will set you free.

Do you believe everything you read online? Of course not! Do you believe everything you watch on TV? No. Do you believe everything you read in the newspaper and in "People" magazine? No. Why do we spend more time reading and watching what we know is a lie than reading what we know is the truth?

The fundamental question you'll face in life is this: What will be your authority? Will it be God's Word or the world? Will it be what God says is true or public opinion? You need to decide, and you need to do it soon.

If the Bible isn't infallible, inerrant, and flawless, you're in a heap of trouble. The Bible tells you how you can be saved. It tells you that your life isn't an accident. The Bible tells you how to be forgiven. It tells you how God can use you for good in the world.

If the Bible isn't true — absolutely true — then life is pointless.

Special Concert

The Singers of Summerville will be presenting *Absolutely Andrew*, featuring the medleys and songs from the musicals of Andrew Lloyd Webber, March 23, at 7:30 p.m. in the sanctuary. Admission is \$10 for adults, \$5 for students.

Spring Break

Worship Choir will not meet the week of spring break, Wednesday, April 3. We will be singing April 7 in the 9:00AM service and will take time to prepare in advance to sing that week. Enjoy the break after Easter.

Special Service this Week

This Sunday we are celebrating the Lord's Supper and Christian Baptism in our worship service. It's two of the ways we celebrate and remember what Christ has done for us. It thrills my soul to know we have 16 people to be baptized this Sunday. All giving their lives to Christ and proclaiming His power in their lives, for the church to be encouraged and built up. I hope you will pray for those new believers and those making this act of obedience a part of their lives, in the special time of worship and celebration. I can't wait for Sunday; it's going to be great!
