

The Seedling - April News

Little Sprouts Christian Preschool - *Dragonflies*

Coming Up:

April 9	Class Photos
April 20	Scholastic Book Orders Due
April 30	Last day for sock & underwear donations for Lions4Kids

Happy Birthday!!

Holly April 1
Leighton April 4
Savannah April 14

Monthly Lessons:

Themes: Spring – Flowers, Insects, Planting

Language Arts: This month the letters we are learning to write are M, N, V, W & X. Each child will be working on an Alphabet Book that they will take home at the end of the year.

Music & Movement: We'll continue to practice songs and poems for our Mothers' Tea in May. Our sign language for the Fruit of the Spirit (Galatians 5:22-23) is going really well. Ask your child to show you the signs for Love, Joy, Peace, Patience, Kindness, Goodness, Gentleness & Self-Control.

Math: We'll continue to work on measurement. The kids have been using our new tape measures to see how long different classroom items are. We'll start to work on sequencing and patterns.

Science: Our focus is on lifecycles: Butterflies (we'll learn about metamorphosis) and Frogs. This month we'll also be planting seeds and talking about what a seed needs (soil, water, sun) to grow into a plant.

Bible Verse:

Virtue: Faithfulness
"Let love and faithfulness
never leave you."
Proverbs 3:3

Notes:

We are busy with so many activities as we wrap up the last few months of preschool. Where has our year gone?! Please be sure to check your child's cubby each week so that you won't miss any information about end of the year activities.

Thank you for all who donated new socks and underwear for Lions4Kids, an organization that provides clothes, personal care items and school supplies for kids in our community. What a gift it will be to kids in need. If you still have items to bring in, we'll be collecting them until the end of the month.

Have a great month! - *The Little Sprouts Staff*
