

LIFE GROUP INFORMATION

Sunset Ridge Church of Christ has many small groups: JOY Group, Prayer Group, BLESSING Group and others. Soon, Life Groups will be added!

Life Groups are being formed so that Sunset Ridge members and their guests might GATHER together in each other's homes for the purpose of GROWing to be more like Christ through fellowship, Bible Study and prayer so that we might learn how to GIVE ourselves more like He did through outreach and service.

Listed below are some important aspects of Life Groups:

- Registration deadline for Life Groups is Sunday, February 10.
- A **commitment to regular participation** is expected when a person decides to register for the Life Groups.
- Information which registrants provide on Registration Forms will be given serious consideration in the group placement process.
- Those who register will be contacted soon after February 10 about their placement in a Life Group, which will begin the week of Sunday, February 24.
- Life Groups will meet until the end of May with an option of continuing through the summer. The decision about that option will be made by each Life Group.
- Each Life Group will determine the frequency of its own meetings. Some may meet each week while others may choose to meet every other week.
- The initial focus of the Life Group Bible study will be applying the parables of Jesus to daily Christian living.
- Life Groups will be led by church members who have gone through a training process, and leaders will continue to meet on a regular monthly basis for additional opportunities to learn and grow.
- Life Groups will begin again in the fall with a new registration process.
