

Spring Schedule 2013

Pre-school Aid

Dear Sunday School Teen Helpers and Their Parents,

Thank you all so much for volunteering to serve in Children's Ministries. The teachers really appreciate your assistance. Sunday mornings would be hectic and difficult without you. You can be of help to the teachers by keeping the kids quiet during Bible time; assisting them with craft and snack time and making sure that the children play safely on the playground.

Below is your schedule. Please save it for future reference. *If you are unable to work the week you are scheduled, please trade with someone on the list for another week and call me to let me know who will be serving in your place.* You will receive a reminder postcard the week that you are scheduled to serve. ***Please be mindful of the time during the break and be in class by 10:20am and stay until the teacher dismisses you.***

Thank you for participating and for your commitment to the children. You are valuable!!
