## PASTOR HAROLD'S CORNER:

"Your word is a lamp to guide my feet and a light for my path."  
Psalm 119:105

Is the Word of God being a light to your path and your feet, are you allowing the Word to challenge you and letting it be a light in the darkest, deepest areas of your life. This is what the Word does, it's a light that shines in you and it eventually will shine through you. Allow the Word to penetrate in all areas of your life, allow it to purify you and to guide your daily life. Remember, it's not about how much you read, it's about falling in Love with your Creator through His love letter, Blessings.
