WHAT IS KAIROS?
Kairos is a Greek word meaning “an opportune moment in time.” Now is that time to respond to God’s call and act in faithfulness.

WHAT IS THE KAIROS COURSE?
The Kairos course was developed in the Philippines in 1994 as a strategy to mobilize and train an indigenous mission force. The missionaries saw that the churches were NOT mobilizing for missions.

Jonathan Lewis’ 15 lesson World Mission Course (WMC) was introduced for Filipino church leaders but they needed a course that was more accessible to the whole church and easily reproducible. In 1994 they condensed the WMC, adapted it to suit different learning styles and in 2004 the CWMC became Kairos.

WHERE IN THE WORLD IS KAIROS?
Kairos is in nearly 45 countries around the world and has been translated into multiple languages! It is empowering the global church to move out beyond her walls of local community. Barriers are being broken and the unreached are being reached as a result of Kairos in local churches.

WHY KAIROS IN THE LOCAL CHURCH?
Kairos is designed to produce a worldview change. It very clearly articulates a strategy, philosophy, and purpose that reflects the heart of God. God is using Kairos to speak powerfully about His passion for reaching the unreached.

KAIROS IS MEANT TO MULTIPLY.
Designed to multiply, Kairos was put together in such a way that any committed Christian can learn to facilitate and eventually conduct the course themself. It’s now being taken into Bible Colleges, missions organizations, churches and small groups across the country and around the world.

WHY MULTIPLY KAIROS IN THE UNITED STATES?
There are unreached people groups among us. God is bringing them to us! Immigration increases our population drastically every year. We can’t possibly reach all of the unreached, so God is bringing them to our doorstep right here in the United States. We must prepare to reach them right here and abroad.

WHO IS KAIROS DESIGNED FOR?
Kairos is designed for any Christian looking to deepen his/her relationship with God. Kairos is designed to make parallel the desires of God’s heart with every believer’s heart. Ultimately, Kairos is designed to transform every believer’s worldview. It’s not a missions course solely for missions-minded people. It is for everyone!

HOW IS KAIROS TAUGHT?
The course is facilitated, not taught. Teaching is done through the videos, readings, and small group times. It’s a full 40-hour course that has proven to have exponential outcomes, as seen with the example of the Filipino church. (Kairos can be taught in one week, four weekends, or ten weeks.)

Kairos is an overview of the world Christian movement. At the heart of the world Christian movement is God’s redemptive purpose of reaching the whole world with the gospel of Christ.
