

WHO IS TEDDY'S RESCUE?

TEDDY'S RESCUE, INC. is a small private 501(c)(3) non-profit animal shelter for dogs and cats based in Findlay, Ohio. We rely entirely on the generosity of the public and community to support our mission; we do not receive government or federal funding. Donations are tax deductible.

WHAT IS OUR MISSION?

The mission and vision of TEDDY'S RESCUE, INC. is to place dogs and cats, of all sizes and all breeds, currently without a home into a loving, forever home. We are committed to providing the animals that come to Teddy's Rescue with the best possible care while they wait for their new homes. This includes each animal being spayed or neutered and up-to-date on all vaccinations and on heartworm maintenance.

We place animals in loving, responsible, committed, permanent homes following a comprehensive adoption process, which includes taking considerable care in finding good matches and educating prospective adopters about the responsibilities and costs of bringing an animal into their homes and lives.

We strive to work with area shelters and other rescues to develop a network of supporters and volunteers in order to create a better world for homeless pets.

CHANGING LIVES BY PAWSITIVELY MAKING A DIFFERENCE

There is always one dog that instantly pulls at the heart-strings of everyone who lays eyes on him. Last year that dog was Buddy, a 145-pound English Mastiff.

Buddy came to us very shy and scared. All he wanted to do was lay and watch the world around him. The staff worked with him every day, giving him the love and attention he appeared to need. But what Buddy needed was a family to call his own. A family who could give this dog the patience and love he so desperately needed.

Buddy's new family first saw him on Facebook. It must have been love at first sight because they immediately applied to adopt him. "When I first met Buddy he was very shy and didn't care much for me at the time. So during the time the application was being processed I visited with him daily. I just sat in a chair and talked to him, looking for acceptance and trust. Each time Buddy got a little more comfortable with me as slowly a bond was starting to build.

Now, almost a year later he follows me around like a shadow and tries to sit on my lap when he needs extra love. Although Buddy is still extremely shy with strangers, he has become very comfortable with our family and we have seen his sweet personality shine bright! He is our gentle giant with a heart to match!"

WHY BECOME A SPONSOR?

Becoming a partner of Teddy's Rescue is a wonderful opportunity to help make a difference, while promoting your business. Your support engages hearts, hands, and minds to raise awareness and revenue to help animals in need.

Without the generosity and support we receive from both businesses and individuals in our community, we would not be able to continue our work.

We couldn't do what we do without YOU!

WHAT YOUR SPONSORSHIP MEANS?

Your sponsorship of Teddy's Rescue will make a positive impact on the animals here. Sponsorships will help fund the cost of caring for the animals. Each animal receives basic vaccines, flea/tick preventative, heartworm testing for dogs, and spay or neuter, before being adopted from our facility. In addition to medical care, animals receive 2 meals daily. Continuous improvements to the facility both inside and out allow for a safe sanitary environment for the animals to live and play.

WHAT DOES YOUR SPONSORSHIP INCLUDE?

Teddy's Rescue will recognize your sponsorship by placing your name on the sponsorship plaque at the entrance of the rescue and on our website.

You will receive monthly updates letting you know what has been happening at the rescue. You can read about animal surrenders and adoptions, volunteer work, facility improvements and events that are taking place.

Your sponsorship is tax deductible.
