

A THOUSAND TEXANS
MEN OF THE 9TH TEXAS CAVALRY
BY STEPHEN S. KIRK

Two Trails Publishing, Independence, Missouri. “There was no space left at the hitching posts....Crowds has come to wave goodbye to Quales Company....” (A Thousand Texans,” Garrett, PP. 202-203) for those of you who have read “SUL ROSS’ SIXTH TEXAS CAVALRY—SIX GUNS AND BOWIE KNIVES,” you will find Stephen Kirk’s new work just as comprehensive and informative! Starting with a brief history of “The Republic and the War,” Mr. Kirk follows with the Records of Company A, progressing onto Company K. A summation of the field and staff is next, ending with an excellent bibliography and reference section. Mixed in with the individual records are many first person accounts, histories and letters. Even if you had no ancestor in any of these units...Both books are informative and such a pleasure to read. They are “A THOUSAND TEXANS—MEN OF THE 9TH TEXAS CAVALRY” and “SUL ROSS’ SIXTH TEXAS CAVALRY—SIX SHOOTERS AND BOWIE KNIVES.” Read them! You will certainly be glad you did!
