JOHN BANKHEAD MAGRUDER
A MILITARY REAPPASIAL
BY THOMAS M. SETTLES

John Bankhead Magruder – A Military Reappraisal – By: Thomas M. Settles...I have, in the past, thought of “Prince John Magruder” as the George Armstrong Custer of the south; Egotistical, brash, self-aggrandizing, and certainly lacking in the common senses. I was wrong, not about Custer... About John Magruder. I was very wrong! To my knowledge, no one has written a truly definitive biography of John Bankhead Magruder – until now! Author Thomas M. Settles provides us with just such an account! Myths are exposed, exaggerations reduced and falsehoods put to the test! In they’re place? A most thoughtful, intelligent and comprehensive work! Edward Cotham, Jr., author of “Sabine Pass, The Confederacy’s Thermopylae,” states...”A biography with the rare feat of being both entertaining and meticulously researched!” To understand and appreciate John Magruder, you should have this book. Thomas M. Settles’ research is meticulous!
