

How can I help?

1. Pray for the girls, House Moms, Mentors and the rest of our TDP family.
2. Join a committee.
3. Donate something from our 'wish list' on the 'get involved' page on our website.
4. Apply to be a House Mom, Mom support home, Mentor, Teacher or Worship Leader.
5. Help us with organizing a network of foster families who will agree to foster our girls when they leave our home.
6. Organize a volunteer skilled maintenance team whose members would be available from time to time to help with landscaping, car or home repair, etc.
7. Talk to your pastor, employer or teacher about inviting someone from TDP to talk during or after a service, at work or to your class.
8. Consider having a gift shower for the girls.
9. Tell your family & friends to visit our website.
10. Use your construction skills or connections to help us build home #2.
11. Consider our Adopt-A-Daughter program.
12. Contact us via our "contact tab" on our website to ask questions or to offer to help in any of the ways mentioned above.
