

FAMILY MINISTRY

"SAVE THE DATE NIGHT" - FEB 15

Close to 50 kids, junior high helpers, and adult volunteers hung out together for a fantastic night of fun and games Feb 15 as parents celebrated Valentines Day together.

Several parents chose our "Date Night Out" option, and enjoyed their own special evening together - others joined us for a Parisian night of soup and board games in our "Date Night In" option.

Support & Nurture

This year, our Family Ministry team is focused specifically on finding additional ways to support families, parents, and marriages.

Some projects have included:

- Feb 15 "Save the Date Night", (see above).
- In March, connections and friendships were made as 40 people showed up to an afternoon picnic for parents of birth-5 year olds.
- In April, a handful of volunteers went over to the Family Services Association to help support families in the neighborhood at their annual Spring Fair.
- Since March, we have had "The Blessing" and "The Love Dare" family groups. Both groups have focused on parenting, and have been deeply meaningful to the participants (members have described them as "life-changing", "a place where I can feel safe to be myself", and "a place

for deep friendships"). We are planning on starting new Family Groups soon - please email Pastor Chelle at rochelle@redlandschurch.com for more information!
