

Father, You are a good, good God! This pandemic is not from Your hand; You are the giver of life. Your love for people is great; Your heart is compassionate. You are not willing for any to perish. You have given me new life! I know that I am chosen; I am loved; I am Your child. I was born for such a time as this! I rejoice in Your goodness and love. **You have created me like You and have called me to life, not death. Therefore, I will speak life and not death. Jesus, You came to destroy the work of the evil one. You recruited me to be Your ambassador and to do even greater things than You did.** Apart from the Holy Spirit, I can do nothing, but greater is the Holy Spirit in me than he that is in the world. I stand with like believers, covered in Your blood, redeemed and anointed with Your authority to stand against the principalities of fear, hatred, bitterness, and disease that are wreaking havoc in this world. **We declare “NO ENTRY” to the thief who comes to steal, kill, and destroy.** Spirit of confusion, fear of lack, and unbelief, you have no place in the body of Christ. We say “no” to your lies and declare that our God is mighty and able to make a way where there is no way. You are our great provider. You are not nervous. We will not be anxious but will be filled with trust! You are faithful! You delight to give to Your children. We give You praise for Your abundant generosity; give us the grace to be generous to others. **You have not given me a spirit of fear, but of power, authority, and a clear mind.** I come against fear in my household and say, “NO ENTRY!” Fear is not welcome here! Take every thought you have brought and remove it from my loved ones, my church family, and my community. Fear has no authority here. God, I pray that Your shalom will guard and protect Your people worldwide as we seek Your face and declare healing on behalf of those who have been afflicted. Give wisdom to those caring for them. I call forth creative genius in world leaders, researchers, and medical professionals that they may know what to do and how to do it. I come against sensationalism and propaganda that promotes panic and fear in the media. I ask for truth and light to come into communication. Give us eyes to see truth and show us how to shine Your light in the darkness. Give us a heart of love for the lost and alone. **You have filled us with the Holy Spirit; the river of life flows from our innermost being and is greater than this evil.** When the enemy comes like a flood, we will raise a standard against the onslaught. You are the standard, and we are Your image-bearers. You are in us, our hope and glory! We pray in the Holy Spirit, building ourselves up in our most holy faith, choosing to keep ourselves in the love and power of God. **We raise up the river of life within, praying always in the Spirit.** Let Your anointing be upon us. Help us to be wise in our actions, speak life, have faith with authority, and live in Your peace.

Crafter Pandemic Prayer, Proclamation, & Declaration by Pastor Abby King
