

News From Poland

Dear LHOP Family, Greetings in the name of Jesus,

I pray this letter finds you healthy and happy. During these difficult times around the world, I would like to share about one of the highlights of the year. As you know, Marysia and I just celebrated our 32nd anniversary but this year was also special for us because we celebrated the 30th anniversary of our church!

One Bible verse in particular was spoken over our ministry at the beginning. This verse was 2 Chronicles 7:14, "if my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and forgive their sin, and will heal their land." This verse has helped lead us, guide us, and shape our ministry. We want revival in Poland and we believe it begins with the church interceding for our people.

It has been an amazing time of reflection on the faithfulness of God over the years. On Saturday, the 17th of October, we gathered with our fellow pastors and members of our city and on Sunday we celebrated with our whole church. We put together a video to share the different types of ways we have been a part of the community in Gryfow. The bishop of the Pentecostal church in Poland shared a message from his heart and blessed us and our service. The mayor of Gryfow who has been a long time friend also attended with his wife. They helped us tremendously during the old days of our church as it was beginning. We have had incredible favor with him through the years and he has allowed us to serve in many different ways.

After our service on Saturday, we invited our guests to our mission center. We had prepared a large dinner for them. It was a great time of fellowship and laughter. We celebrate not just our ministry but also God's hand in our lives. We truly wouldn't be where we are today if not for the grace of God.

On Sunday, we had planned to celebrate with our church right after our regular service. Some of our people have been with us since the beginning. We have been blessed to know many faces through the years and some are not able to celebrate with us in person but we remember them in our hearts.

In closing, I'd like to thank each and everyone of you for your support. We have been able to accomplish many things over the years thanks to God and your generosity. I am extremely grateful for your support and prayers for our ministry. Looking forward to see all of you next year Lords willing. God bless you!

Blessings, Marek and Marysia Kiewra
