Description of Roots Classes:

Roots Core Classes:

**Introduction to the Old Testament Story** - This class is a survey of the Old Testament story, its major themes, books, and the theology that we take from it. The idea of the course is to give us a framework and helpful resources for the future study of the Old Testament.

**Introduction to the New Testament Story** - This class is a survey of the New Testament story, its major themes, books, and the theology that we take from it. The idea of the course is to give us a framework and helpful resources for the future study of the New Testament.

**Core Christian Beliefs** – Whether you are new in your faith or have been following Jesus for years, this class is for you. The student will be connected to the core of our Christian beliefs through scripture, community, and discussion, giving foundation and strength to their love of and relationship with Jesus.

**Introduction to Church History** - This class is a survey of the story of Christianity, and how the church has been used by God through out history. We can only know who we are if we understand where we came from. We will travel through history taking a look at major cultural shifts, church changes, and influences to see that our faith is an ancient and grounded one.

**Intro to Spiritual Formation** - This class will focus on our journey toward spiritual formation. Formation, like the forming of a pot from clay, brings to mind shaping and molding...helping something with potential become something actual. From the Christian perspective, formation refers to the process by which the inner-life of a believer becomes more like Christ.

**Holy Spirit Living** - Many times the Holy Spirit seems to be a part of our faith that seems elusive, hard to recognize in our life at times. Yet we want to be followers of Jesus that are guided by his Spirit. Join in with us for this class as we use scripture to understand better the work of the Holy Spirit in our lives and how we can live Spirit filled lives.

**Money Matters**- This class will present easily understood and biblically-based concepts regarding money and budgeting, including its place in the lives of Christ-followers. Participants should come prepared with an accurate count of their income, monthly and expected one-time expenses, and all debts.

**Being a Peacemaker: Living a Reconciled Life** - This course uses The Peacemaker by Ken Sande to guide participants through practical biblical guidance for conflict resolution, leading to living lives of reconciliation.

**Finding and Understanding My Spiritual Gifts** - God has given each of us gifts to be used for his plan and for the encouragement of his church. However, many of us don't know what those gifts are, or what it means to have spiritual gifts. In this class we will explore the truth of God gifting us for his work, and take steps to know how each of us are individually gifted.
**Roots Growth Classes**
Roots Growth classes will vary in subject and material, for the purpose of learning to follow Jesus in all of life. Watch for the growth classes offered and take advantage of opportunities to grow.

Examples of Growth classes offered:

**Parenting the Early Years: 10 Biblical Traits Your Kids will Remember you For.**
Many parents today are wondering, “Do I have what it takes to be a good parent?” A lot of times parents need help, but nobody likes to ask for help. This class delves deeper than simply trying to get your kids to eat their broccoli and clean their room. It takes a Biblical approach into the traits parents want their children to have and the traits parents want their children to see modeled in themselves. This study includes biblical and practical advice for all parents, whether you are a married couple, single parent, or in a blended family.

**Spiritual Parenting**
It’s hard enough to train kids to behave, but good behavior isn’t what Jesus calls for in the Bible. He wants hearts and souls that are shaped in vibrant faith and love toward God and others. How can parents cultivate this in their children? Join us as we learn from scripture on how to be parents that help grow our children spiritually.

**The Bible and Human Sexuality.**
What does the Bible have to say about human sexuality? About culturally hot topics like homosexuality? How and why does the Bible shape our culture’s expectations around sexual behavior today? This course will explore both Testaments in their contexts in antiquity on such issues as the expression and meaning of sexuality, marriage, and same-sex relationships.

**Lectio Divina: The Practice of Centering Prayer**
The ancient practice of praying the Scriptures is being rediscovered and renewed in our time. Known as *Lectio Divina* (Divine Reading), it is one of the great treasures of the Christian tradition of prayer. Join as we use scripture to teach us how to pray through the word of God.
