

The Well - Retford Baptist Church Information 4 Sunday Kids

Passionate about god and children

Here at The Well, we are passionate about God and passionate about children... It's our aim to teach about God in ways that inspire, encourage and challenge children of all ages whilst they have fun. We are constantly trying to improve what we provide... We have fabulous groups on Sundays that are always fun and provide a space for Children to meet and experience God...

Yellow Signs watch as you worship for the yellow sign

Our groups meet during our 11 o'clock worship service on the first floor of our main building. During worship at 11.30ish, a yellow sign is shown on the screens telling the kids that their groups are starting. Now's the time to head upstairs...

High 5's everyone gets a high 5 from mark

As you head up stairs everyone gets high five from Mark... just another happy face saying hello, good morning, welcome, have fun, enjoy... no other purpose...

Registration just in case something bad happens

To keep us all safe we need to know who is in the room... on arrival upstairs we register all the children, if we have to evacuate the building we can check they are all safe afterwards. We also ask parents to fill in a membership and consent form so we have any extra information we need to know about the children...

Worship Together all together to start

Next comes worship - we know we've had worship downstairs but upstairs we do more jumping, actions and silly songs to help engage you worshipping God our father - you'll love it - see if you can jump higher than everyone else.

Under Fives for preschool children

With fun, stories, crafts, games and even a drink & biscuit our under fives love this group. Children in this group will be escorted by a leader to the toilet if they need to go. For those children still in nappies... Please inform us if you would rather we fetch you if your child's nappy needs changing.

Five 2 Elevens for school children years 1-6

It's always fun! Big teaching, small groups, activity zones including games, challenges, craft and prayer fill the rest of the session for 5's to 11's. Children in this group are allowed to go to the first floor toilet by themselves.

please remember to collect your children promptly after the service

Family at The Well bringing the whole family together

Four or five times a year (Christmas time, Father's Day, Mother's Day and Harvest time) we have Family at The Well services, these are where we get all the church together for a celebration. We normally have breakfast together and then a shorter service with a marvellous message from Mark. We're always looking for features to add into these service to show off how amazing God's family is.

If you have any questions about our children's groups here at The Well, please contact Mark Gilmour, our Children's Pastor. He will be delighted to speak to you and will try to answer any queries you may have (email mark@thewellrbc.org or call 01777 702344).
