Our mission is to provide a children's ministry in which all children feel the love of Jesus. We hope that all children who pass through the doors here at Timberlake UMC will feel welcomed and loved for who they are. We are striving to become a light that will lead children home to a life in Jesus Christ.

MISSION WORK
Helping those in need is a powerful learning experience. We strive to provide many opportunities for children to serve others and encourage families to find ways to serve as we work together as a family.

For more information on any of our Children's Christian Education Programs, please contact Dawn Compton at dawn.compton@timberlakeumc.org or at 434.239.1348.
ORANGE THEORY

At Timberlake UMC, we utilize the Orange Theory to guide our Christian Education Ministries. When the church (yellow) and the home (red) work together (orange) in teaching the faith, our children have a better chance to grow into the next generation of Christian believers. We recognize that learning about God's love begins in infancy through the love and care they
