WORSHIP THROUGH PRAYER AND PRAISE

Responsive Call to Worship      “God is Praised in Joy” by Susan Cherwien      Rev. Rawls  
God is praised in joy. The age calls for cynicism. God calls for joy.  
**Happiness eludes us, but joy can remain.**  
Joy is our deep connection to the spirit of the living God.  
**Joy is deeper than the turmoil of the world, deeper than the failures and frustrations.**  
The tempest rages, the waves crash and climb, but beneath the tumult – life, fed by joy – joy, deep waters that give refuge below the storm.  
**Beneath the towering waters – life, uncrushed but not unaware thrives in the deep waters of joy.**  
Joy, from which hope and endurance spring.  
**Amen.**

*We welcome our guest preacher today, Rev. Sheila Russ. Originally from North Carolina, Sheila counts herself as almost a native of Richmond, having lived here most of her life. She is a graduate of both Virginia Tech and VCU and received her Master of Divinity from Baptist Theological Seminary at Richmond in 2005. She has served as a staff minister with churches in both North Carolina and Virginia, and most recently was part of Synago, a community centered, house church project started by a two other seminary colleagues. As a long time artist and crafter, Sheila currently spends most of her time inspiring and encouraging creativity in others as part of the Management Team at JoAnn Fabrics. Her favorite job by far though, is that of being Aunt Sheila to her niece and three nephews.*
