

I Kissed Dating Goodbye

Author: Joshua Harris

I just recently read the book by Joshua Harris called "I Kissed Dating Goodbye." I highly recommend this book to anyone over the age of twelve.

There was a section in the book that I really liked called, "The Seven Habits of Highly Defective Dating." This section dealt with the issues of why we should not "date."

One other section of the book discussed how God wants to keep our hearts clean from infatuation, lusts, and self-pity. I truly liked this and will probably read it again.

Chapter four deals with how we should look at "love." God's way of loving others is how we should deal with all relationships. We should look up the word "love" in God's dictionary.

Lastly, the best thing in the book was that there were Scripture verses throughout its entirety. I would give this book an A+.
