- From **Jessica Affholter**: Please keep my family and myself in your prayers as the holidays are fast approaching us. We have lost two loved ones this year. I been having a hard time again with anxiety and losing a lot of sleep knowing that we are going home for the holidays and facing the fact that my father is no longer with us again. Thanks.
- Update on **Lynette Pifer's** mom & sister: Her sister, **Diane**, did have open-heart surgery and it went very well. They removed a large clot - one of the largest they'd seen - from her pulmonary artery. However, she still has an infection and they're not sure where. She's in a step-down unit, and is stable. Please keep her in prayer. Lynette's mom, **Bonnie**, went home yesterday after being treated for pneumonia. She is doing well and is recovering nicely.
- **Sharon Bryan** wishes to thank everyone for all of their prayers, cards, love and support as she heals from her recent knee surgery. She loves her church family and says your friendship and love is a gift from God.
