

The Journey at Trinity

What is *The Journey*?

It is a deep and enjoyable process involving 6 to 12 like-minded people who have chosen to deepen their walk with God. The process is guided by a trained facilitator. By studying Christ and through group reading, study, and conversation, you will gain a better understanding to the answers of three very important questions: ***Who is God? Who am I? What does God desire to do through me?***

Who will be invited to participate in *The Journey*?

The process is intended for anyone who wishes to deepen their relationship with God, regardless of age, knowledge of scripture, or length of time being a Christ follower.

What study materials are involved?

There are four stage manuals, texts, and, of course, the Bible.

When will *The Journey* begin and end?

The Journey begins in September and ends in May.

How often, when, and where will we meet?

The group will meet weekly with breaks at Christmas, Easter, and other times according to group needs. Once we have confirmed group lists and trained facilitators, options will be presented to you that will hopefully fit your schedule. Groups have been known to meet Sunday mornings, Sunday evenings, and early AM or evenings during the week. Groups meet at Trinity Baptist Church or in participants' homes — the facilitator/group will decide.

Is there a cost?

Yes, the materials cost \$350. Trinity offsets \$55 leaving a net cost to you of \$295. There are several options for payment. We do not want cost to prevent individuals from this incredible process; there are scholarships available for those experiencing financial hardship.
