

Mrs. Natalini's 4s Class  
**MAY NEWSLETTER**

Happy May! We can't believe it is already the end of the school year! With only a few weeks left we have a lot of exciting activities planned such as our trip to **Center Point Pond on May 15th**. We will be meeting you there at 9:45 a.m. ready to catch some fish, we will not have class that day. We are also looking forward to getting together with our mothers' visiting on **May 10th at 11am to celebrate mother's day!** The children will be planning a fun day to share with you ☺

In May, we will finish up our alphabet study and spiral back through the entire alphabet reviewing all the letters for sight recognition as well as the sound each letter makes. This is important as the children prepare for kindergarten and reading. The children will continue with their number explorations with sequencing, shapes, and time. We will also continue to learn and have fun through our many art projects, songs, and games.

April started off with our spring celebration! Thank you for your support in sending in the Easter eggs. The children really enjoyed finding their own special eggs! We learned all about seeds and planted our vegetables. Each child picked out and planted a vegetable of their own as well as contributed to our classroom vegetable gardens which are all growing very quickly! We explored wild weather and how the sun affects it as well as all living things. We had special guests join our classroom - our caterpillars and our tadpoles. It's an exciting time of the year with many plants, animals, and insects growing and changing.

Enrollment for next year is filling up very quickly so please remember to turn in your registration as soon as possible and remind any friends who may be interested as well! **Summer Camp will begin June 3<sup>rd</sup>**. We have so many fun and exciting things planned for the summer-hope your child can be part of it! **Remember all forms are available online at [tcnsk.com](http://tcnsk.com).**

Now that the weather is warmer, we will try to go outside every day. **Please remember to send your child to school in sneakers so they can play safely at preschool!** As we get to the end of our preschool year, Darla and I would like to "Thank you" for allowing us share in your child's preschool's experience! We have thoroughly enjoyed each and every one of your children and hope that they have had a wonderful learning and growing experience in our classroom!

Cathy and Darla
