

# October Classroom Times

Mrs. Cheryl Sharadin's MWF 4s

The year began with a great start. The boys and girls are making new friends, settling into our classroom routine and doing plenty of learning. They practiced writing the letters, L, F and E in the Learning Without Tears workbook, worked on writing the numbers 1 and 2, plus lots of counting and learning to make patterns. They have been working hard on their alphabet book L for Lazy Lizard, F for Rainbow Fish and E for Elliot the Elephant. We observed the stages of an Apple Tree through the seasons. They also did a lot of painting, their artwork is proudly displayed in our classroom.

## Things We are Learning this Month

Letters, Sounds, Words and writing H, T, I, U, please review the weekly letters with them at home. Your child practices daily writing their name and letter writing on their own white board. It would be helpful if each student had their own dry eraser, it can be an old sock or a dry eraser that you might find at the dollar store, nothing fancy is needed. Please send in something for your child to use to erase their board at school, thanks!

Recognizing and writing the numbers 3 and 4 in their number book and one to one correspondence

Counting the number line on our way to 20

Recognizing rectangles and triangles
