

Classroom Times

Mrs. G. and Ms. Lisa, 3s MWF/TTh, October, 2020

Off to a great start...

September was wonderful getting to know your children! We have learned many new things about each other and the children seem to have settled in very well. We will continue to work on developing our social, emotional, & academic skills while having fun. We look forward to seeing how your child grows and develops. Thank you also for all the supplies, your generosity is truly appreciated. Thank you again for allowing us the pleasure of teaching your child.

Reinforce their learning...

As we all know, a child's education is a partnership between the school and the home. We will place suggestions in this section to reinforce what is going on in the classroom. Below are some phrases we use in class.

- "Pinchy crab" to remind your child how to hold their pencil
- "Criss cross applesauce, two spoons in a bowl" to remind your child how to sit and where to put their hands
- "123, eyes on me" to get their attention
