

Mrs. Natalini's 4s Class

OCTOBER NEWSLETTER

Happy Fall! The season began with our class celebrating this fun and beautiful time of year with leaf rubbings and a fall walk as we looked for signs of fall. It's such a wonderful season and there is so much going on in our beautiful world. Take a walk with your child and check it out!

In September, the children were dancing, singing, and reading all about how special they are as we made our way through our "All About Me" Theme. We learned about each other, friends, and kindness! The children discussed their favorite song to wash their hands to. The "Birthday Song" was the most popular! We charted out what color leaf was the class favorite. We have explored the letters Ll, Ff, Hh, and Tt and the numbers 1, 2, and 3. The children also learned about circles and triangles.

This month we will begin learning letters Cc, Qq, and Gg and the numbers 4, 5, and 6. We will be exploring the secrets of the seasons, apples, pumpkins, and community helpers.

For some sensory fun, we are asking each family to supply their child with homemade playdough. I have attached two easy recipes. It would be a fun project to do with your child. Measuring and cooking is a great hands-on math activity. Make it the color of your choice. Please send it in a sealed plastic container with your child's name on it.

We have some fun events happening this month at TCNSK. The Worcester Firetrucks will be out to visit on October 9th. The preschool will be **closed on October 12th**. The children will be treated to Tractor Rides around the Trinity Campus with Farmer Ron and a special trip to the Trinity Pumpkin Patch on October 20th and 21st. On October 29th and 30th, we will be celebrating some Halloween fun. We are asking that the children dress up in a Halloween shirt, **no costume or snack bags necessary**. We will have some fun snacks so the children will **not have to bring in their snacks** that day and we will also have some surprise fall fun in store for them as well!

Thank you for your support in sending in the class supplies. As the weather gets colder, please remember to send your child in with a jacket labeled with your child's name. We all enjoy our days outside with our new friends!

Enjoy some Fall Fun!

Mrs. Natalini & Ms. Sarah
