Be Transformed

Tobin Crenshaw writes: "Monarch butterflies follow a very specific generational migration. Starting in Mexico, the first generation will fly to the southern United States where they will remain for life. Their offspring will fly to the central states, stopping somewhere around the Ohio River, where they will reproduce. At this point the third generation will migrate to Canada to lay eggs. The fourth generation that is born in Canada will then take a miraculous flight all the way back to the same mountains in Mexico where their great grandparents originated from.

For countless years this incredible butterfly has been following this same four generation cycle, one of the most incredible yet mysterious journeys in the natural world. In short, they do it because it is in their nature.

Paul said in Romans 12:2: 'Be transformed by the renewing of your mind.' The word Paul uses here is the word we use for the metamorphosis of a butterfly. The change in the end is something completely different than what was there before. This is how total the transformation should be when it comes to our thinking. And remember, our thoughts determine our actions."

Ultimately God does the transforming as we trust in him, walk with him, and worship him for saving us through Jesus, our Savior.

Advent By Candlelight

Our annual Advent by Candlelight women's event was held on Sunday, December 3rd in the Trinity gym with over 130 women in attendance. Seventeen tables were beautifully decorated by our hostesses, and the food was brought by many of the women in attendance. This special evening was blessed with wonderful Christmas music, meaningful readings, and delicious food. A huge thank you to all of our musicians, readers, hostesses, and volunteers, especially the husbands, who helped us bring in the Advent season with peace and reflection. A very special thank you to the Hudson High School Orchestra students who played for us these past five years, and are now graduating from high school. We hope you all had a blessed Christmas, and prayers for a very happy 2018! Please watch for more pictures in the February newsletter. With His Love and ours, Roxanne Johnson and Anne Ross.

INSPIRATIONAL WORSHIP

He's Different

During Jesus' earthly ministry, it was obvious that there was something different about him. The way he spoke, the miracles he did, and the glory he was given, all showed that he came to fulfill the prophecies of being our Savior. This 3 week series renews our commitment to follow Jesus as Lord.

The Me I Want To Be

Trinity's Church-Wide Campaign

There is a "me" each one of us wants to be...someone who's more kind and generous, patient, and loving. But there is a gap between the "me" I am and the "me" I want to be. Oftentimes we find it easy to trust God to bridge the gap between us and him. But we struggle to really live by grace, and trust God to close the gap between the me I am and the me I want to be. Becoming God's best version of you is both God's desire and the greatest task of your life. And here's the good news...he's already working on it.

Beginning January 28, 2018, you are invited to join us in this five-week journey toward "The Me I Want to Be". In Worship, and in small groups meeting in homes, we will explore how you can become the unique, fully alive person God intended you to be. Spiritual growth can seem difficult or intimidating, but our Church-Wide Campaign will leave you challenged, inspired, and hopeful about true spiritual growth happening in you, your small group, and our church.

If any of this sounds intriguing to you, the single biggest way this series can make an impact on your life is by joining a small group for these five weeks. We would like to encourage you to consider hosting or joining a group during this series as a way to grow spiritually and connect relationally. We will have opportunities throughout January to host or join a group for this great series. We hope you'll join us.

Mrs. Arnold's 3rd grade from Trinity Academy performed a skit on November 15th for the Trinity Early Childhood Academy's Chapel. The skit was called, "How to get to Heaven." It is a Dr. Seuss skit about faithfulness. The children at the Trinity Early Childhood Academy loved watching the third grade students.

If You Only Knew

Have you ever felt a little crazy? Maybe you cheer for a sports team that no one else likes. Maybe you're the only person who doesn't love the new band everyone else is talking about. Maybe it seems like everyone understands what's going on in Spanish class except you. When you're in a situation where it seems everyone agrees or understands—and you don't—it can feel like you're losing your mind. You wonder, "Am I missing something?" Honestly, a lot of us have felt that way at church. We hear people talk about praying or reading the Bible in a way that sounds like it's the most exciting thing in the world, except...for us, it isn't. In fact, when it comes to the habits that are supposed to grow our faith the most, they're actually the ones we want to do the least. And maybe that's just how it is. Since prayer and Bible reading and church are good for you, maybe you're just supposed to suffer through them. But what if you're missing something? What if the people who do these things just see something you don't see? And what if a single piece of missing information could completely change the way you interact with God, His Word, and His people? Maybe you'd go from *have to*, to *want to*, if you only knew.

Our Academy is accredited through the Wisconsin Religious and Independent Schools Accreditation. We are an educational institution with a mission that offers high quality teaching and curriculum, individual attention, and opportunities for service to others in an affordable and nurturing environment. We also offer financial assistance for families who apply through Confidential Financial in the hopes that all families who want to attend our school are able to. We would love our church families to consider attending Trinity Academy.

New Member Class

If you are interested in joining Trinity, our next new member Connect classes begin in January. We will meet two consecutive Tuesdays - the 16th at the Family Center, and the 23rd at the Downtown site, from 6:30 pm -

8:00 pm. Childcare is provided. Sunday, January 28th is New Member Sunday. This is a great way to meet others who have been coming to Trinity. We'll share a lot of information about our mission, vision, staff, programs, and beliefs, but we also like to get to know you better and answer any questions you may have. For further information about attending the Connect Class, contact Todd Stocker at tstocker@trinityhudson.org.

2018 Trinity Academy Gala

Mad Hatter's Ball ~ A Night in Wonderland

As we approach the 2018 Trinity Academy Gala, we ask that you prayerfully consider ways to give. There are so many ways to help, whether it's buying a ticket to attend, donating an item to our silent/live auction, or contributing your time in volunteering. We appreciate you and all you do to help make this event a success for our school.

For those of you that have never attended The Trinity Gala, the Gala is a wonderful way to contribute not only to the financial needs of the school, but also to the social needs. God has put it on our hearts that the Gala is an event for fellowship. It is an event to bring families from church and school together, to strengthen and build relationships, and most importantly, to bring the focus of all we do here at Trinity back to Jesus.

Please join us for a night of great fun, yummy food, inspirational stories, and hopefully many wonderful memories of an evening spent with your Trinity family.

The Gala will be Saturday, April 14 at 6:00 pm at Troy Burne Golf Club in Hudson. Tickets will be going on sale in February. Cost per ticket is \$55. Watch for a special Valentine's promo.

Volunteer Highlight Of The Month

Each month in the Trinity newsletter we highlight a staff member or volunteer that works at either site for Trinity. This is a great way for the congregation to get to know us a little better. This month we are highlighting volunteers Dan & Sarah Hubbard.

1) What is the ministry area in which you serve?

We serve as directors of the Steeple People Children's Choir, and on the Family Center Worship Team.

2) What are the joys of your role as a volunteer?

Watching the kids having fun singing about Jesus and seeing their hard work pay off when they perform.

3) How long have you been attending or been a member of Trinity?

We have been attending Trinity for five years.

4) What positives do you see about the total Trinity Ministry?

Whether it's youth ministry, communion ministry, Xtreme Kids, worship team, or any other volunteer ministry, there always seems to be a willingness to serve from the Trinity family.

5) How do you see God working here at Trinity?

We are watching the church go through some changes this year. Some have stirred up emotions, and have created disruption within the family. Like all families though, God is working in and around the family members to heal hurts. We have been glad to see all of the reconciliation that has taken place.

Stewardship

So many of you at Trinity opened up your hearts, sharing your 2018 pledges and your Christmas Caring gifts over the past couple of months. **Thank You** so much!! I hope you experience the JOY of giving in this season and in the year to come. We recognize that your charitable dollars have many potential places to go. Be assured that your financial gifts are wisely and prayerfully used to support Trinity's mission and ministries, spreading the Gospel of Jesus and making disciples.

The stewardship committee continues to meet regularly, and focuses on how we can encourage faithful stewardship of our time, talents and treasures at Trinity. We help to implement and coordinate some of the church leadership initiatives that relate to giving and tithing. If any of you feel led to be a part of the group, do not hesitate to contact us or your church leaders and let us know. The committee currently includes John Schwalbach, Tom Oscanyan, Maf Berg and Denny Hartung. Love never fails.

For the group, Denny Hartung

2018 Youth Mission Trip

Houston Texas - June 8-17

I love mission trips! It is so cool to see how God works through these trips. Mission trips open our minds and hearts to the needs of others. Our mission at The Cross is to be 3rd. We place God first

in all things, others second, and ourselves third. Serving on a trip pushes us out of our comfort zone, and strengthens our relationship with our Creator, all while serving others. God is calling us to serve those effected by Hurricane Harvey in Houston, Texas. We would love to have you join our mission team

and be the hands and feet of Jesus to our fellow brothers and sisters in Texas. This trip is open to any youth entering 8 grade in the fall of 2018, or older. I am also in need of four adults who love working with young people, and are willing to assist with the driving. We will be working with Next Step Ministries. I encourage you to check out their web site, nextstepministries.com. The cost of the trip is \$600 which covers lodging, food, fuel, and building materials. Spots are limited to the first 20 participants. A \$50 deposit holds your spot. If you would like more information, please contact Kim Gallison at 651-249-8829 or kim@sbwireless.net.

Looking forward to hearing from you. *Blessings & Peace - Kim Gallison*

From The Board

For the first four months of this fiscal year (July 1 through Oct 31), Trinity's financial results have been running slightly better than the budget passed at our Voters' Meeting in June. Details are as follows:

- Church Weekly Offerings of \$269,000 were equal to budget.
- Academy Tuition and Fees of \$701,000 were 4% higher than budget due to strong enrollment in our Trailblazers program this last summer.
- Total Revenue of \$970,000 was 3% better than budget.
- Total Expenses of \$957,000 were 5% below budget due to lower than expected salaries and benefits for our Church staff due to the vacant Associate Pastor and Communications Director positions.
- The bottom-line netted to a very slight surplus of \$13,000 versus the expected loss for these four months.

As indicated at our June Voters' Meeting, the Board is looking at every opportunity to improve the compensation of our employees who work so hard to provide support, or direct the many ministries of Trinity. Our first step was to address the rising cost of healthcare insurance for our employees. Starting this month, the Church will increase its contribution to insurance premiums by roughly \$50/month/employee. Thus, the church will not only absorb the increase for 2018 but will actually reduce employees' monthly premiums versus 2017, thereby increasing their take-home pay.

At our December Board meeting, we will consider other possible actions to raise compensation across Trinity. It would help if our revenue (Offerings and Tuition) were running significantly above budget. However, as previously mentioned, we are only slightly ahead of budget through October, which limits our options. We love and value our Trinity employees; and we know that in this healthy job market they may be lured by other, more lucrative choices. As 2017 comes to a close, we hope that you will join us in supporting our Christmas Caring program so that these ministries can remain well funded in 2018.

Operation Christmas Child Update

Thanks for your generosity!

Tens of thousands of U.S. families were on a mission to make an impact in the lives of children in need. They donated colorfully wrapped shoebox gifts that were sent to children around the world—many of whom have never received a gift before, and have very little to call their own.

November 13–20 was Operation Christmas Child's National Collection Week. Caring people around the country collected shoebox gifts filled with fun toys, school supplies, and hygiene items. The Samaritan's Purse project will deliver these gifts to children affected by war, disease, disaster, poverty and famine. A global movement began across the United States and seven other sending countries, millions focused on making a difference in the lives of children facing difficult circumstances.

"What a joy to be a part of something bigger than ourselves like Operation Christmas Child. Giving such simple gifts like those found in shoeboxes mean the world to children with great need, and it's something we can all do," said Operation Christmas Child Senior Domestic Director, Randy Riddle.

More than 100,000 volunteers that included families, churches, and other groups, joined forces this year to contribute to the largest Christmas project of its kind. Operation Christmas Child hopes to collect enough shoebox gifts from the 2017 campaign, to reach 12 million children, with 9.6 million coming from the United States. Thank you to all who have donated this year!
