

Hello Camp Luther Friends,

This email should be one of three communications that you receive from me this week letting you know when registration for 2013 programming begins. (This email, an e-newsletter, and a postcard)

Registration for all 2013 LOMO summer and retreat programs will begin at 12:00 noon on Saturday, November 17th, 2012. You can register online or by mailing in a paper registration form; no email, fax, or phone call registrations are permitted. Please note that by registering online, you receive a \$50 rate discount from registering by paper registration.

I would suggest that prior to next Saturday you attempt to login to the registration system so that you know your username and password still works! Here is the link to the online registration system:

When you go to register, PLEASE keep the following in mind:

- 1.) Please use CORRECT information. When it asks for your age, ethnicity, grade completed, etc. please use the correct information. When you make stuff up it causes issues with the database and that's why people sometimes don't get communications from us.
- 2.) If you are registering multiple families, please use different logins for each family. If you put multiple families on one registration, you will all be placed into one cabin!
- 3.) Make sure you have all of your information in front of you before registering (names, birth dates, grade completed, etc.)
- 4.) If you have issues when registering, please DO NOT call Camp Luther or the LOMO Central Office, nobody will be there. Feel free to leave me a message on my home phone (513-894-2156) and I will return your call on SUNDAY.
- 5.) I will not be able to see who is registered until the database is downloaded that Monday. Confirmation emails will be sent out on Tuesday as to what week you are registered for.
