Trinity's Midweek Lent Opportunities

February 21, 28, March 7, 14, & 21

This Lent there will be two opportunities to engage in a midweek gathering.

1. **Lenten Lunch & Lectio** will be held in the parlor beginning at 12:30pm. We will share in a light lunch of soup and bread and use the spiritual practice Lectio Divina to dive deeper into a Scripture passage chosen for the day. Lectio Divina is a traditional Benedictine practice of scriptural reading, meditation and prayer.
2. **Lenten Little One's** will be held in the Fellowship Hall beginning at 6:00pm. We will share in a light dinner of soup and bread and we will have time for children to engage in a Bible story chose for the day, songs and fun. You do not have to have to children to attend, but this is a child-focused event.

Soup and bread will be provided, but there is a sign-up sheet available in the chapel for those who would like to contribute soup and/or bread for one of these gatherings.

TLCO News: In March, Trinity will resume three hot meals each month. Each individual involved with Trinity is invited to participate in a volunteer assessment poll either online or using the paper form which will be available in worship. The poll can be found by going to the following link:

January 2018 Synod Council Meeting

The Northeastern Ohio Synod Council met at Martin Luther Lutheran Church in Youngstown on Saturday, January 20, 2018. Highlights of the meeting included:

- Bishop's Performance Review: Members of the Synod Council, Synod staff, and conference deans have been invited to participate in a performance review for Bishop Abraham Allende, who has recently passed the halfway point in his six-year term as Bishop.
- Mission Support: Through 11 months, the Synod appears to be on pace to meet its 2017-2018 fiscal year budget. January is the largest month for mission support contributions, so the final outcome for the year will not be known until next month.
- Synod Assembly Matters: The 2018 Synod Assembly will feature Mikka McCracken, Director of Planning and Engagement for ELCA World Hunger as the churchwide representative. The Assembly will likely feature other new uses of technology including an App to disseminate Assembly information to voting members and live-streaming capabilities so people who cannot physically attend will be able to monitor the Assembly.
- Conversations with Deans: The Council spent time in small-group discussion working with the deans of their respective conferences to discuss how the conferences can be a catalyst for sharing of ministry ideas and opportunities among congregations in similar geographical areas.
