A Time for Renewal

Something new is happening at Trinity and it is a vision that holds true to our history. God has given us a huge undertaking. God has laid on our hearts and minds a vision for renewal of this church and community. It begins with the renewal of our campus: a fully renovated education building, a two-story enclosed connector adding new gathering space, a covered drop-off, and covered sanctuary entrance, an enhanced worship space with new A/V equipment, an inviting front plaza with children’s playground, accessibility for all, and new parking.

This renovation project is the culmination of the many dreams and visions of our entire congregation. This project will touch every member of our church. But, even more importantly, it will touch and impact the spiritual lives of people for generations to come.

Shortly after I became pastor at Trinity, it became obvious to me that part of why God brought me here was to help our church do this. I know this is something not only our whole church wants to see happen, but it is something God is behind and already blessing in many ways.

It’s our time to consider what gifts and resources God is calling us to offer to renew our campus, renew the vision, and renew lives. Each of you will receive a packet very soon with the needs that you have identified, the plan for renovation and new construction to meet those needs, and a pledge card for you to help see these plans through. Our goal is to have 100% participation - from all ages! We pray that folks will respond to God’s invitation and recognize their ability to make a difference whether you are 2, 22, or 92 years old. If your gift is $1 or $100,000, that’s a gift joyously given and received.

You are a big part of this story. Because of you, Trinity continues to reach our community and world for Jesus Christ. Teenagers are testifying to experiencing the love of God for the first time, while aged and experienced disciples are answering a call to ministry. Your partnership and commitment to this building renovation will ensure Trinity continues as an outpost of hope for all God’s children. This is your invitation to invest in God’s grace-filled kingdom. Together we can turn the page on a new chapter in the mission and life of Trinity so we may be A place to Seek, A message to Share, and A passion to Serve for generations to come.

Norm

I’ve been praying this a lot lately. Would you please join me in this prayer each day in October?

A Prayer for RENEWAL

Loving and Generous God,

We praise and give thanks for all You have provided for us - especially our eternal salvation, through the cross of Jesus Christ.

As we prepare to open our doors to the future at Trinity UMC through our Capital Campaign, may our giving be generous as we share our time, talent and treasure.

Guide us with your wisdom as we seek to renovate your house and our home of worship. Unite us as we work to renew our church, our hearts and our minds. May our joyful giving be a visible sign of the true treasure we hold in Jesus the Christ.

Amen.

Church Vitality Training

The Trinity Trailblazers organized in March as a response to the growing need for reaching our community for Christ. Our goal is to inspire and encourage our congregation in developing a relational culture of evangelism. It’s not handing out tracts or knocking on doors, but cultivating relationships that open doors for invitation.

God is calling YOU to blaze a new trail with us! Our goal is to recruit as many persons as possible to attend our church vitality coaching session on October 4th at Mt. Carmel UMC from 10:00 a.m.-3:00 p.m. in Winston Salem.
- Learn what churches around the country are doing to connect with their community and bring new people to Christ
- Learn how vitality teams stay energized and focused
- Develop a 6 month strategy to connect with our community.

Even if you decide later not to join the Trailblazers ministry team, it’s very important that as many persons as possible know about this program. Just imagine how incredible it would be if 40+ people showed up from TUMC that day! Invest a day of your time for the future of our congregation and help those in our community who do not know the love of God discover that grace at Trinity UMC. Email Deb Ham (hamrealestate@bellsouth.net) to sign up for this October 4th coaching session or call the church office, 765-0150.

Get ready to smile!

A new PICTORIAL DIRECTORY is in the works! Dates for appointments are November 7, 8 and 10.

We will begin to schedule appointments for photos the last two to three weeks in October.

Prayer Garden News

What a blessing as we remember September 28th and celebrate in our hearts the 6th anniversary of the dedication of the Trinity Prayer Garden! God’s Creation of beauty is still thriving but could use a little more rain.

A variety of irises were planted identified as — “Pride of Ireland”, “Outreach”, “Gingerbread Castle”, “Navajo Blanket”, “Goodness”, and “Spaceship”, to name a few. Next Spring should be an exciting time, especially for the youth, to see the beautiful mystery colors in bloom. In addition, a Pyracantha “Mohave” with radiant orange/red berries was planted at the Meditation entryway. It was given as an altar flower on September 14th by Norma Reese in memory of her mother, Norma Burcham.

A workday was held on September 13th to spruce up the church grounds and Prayer Garden. The chores included: trimming shrubs, mulching, weeding, picking up twigs, pruning roses, watering, and planting. Many thanks for those who volunteered: Pastor Norm, James and Brenda Jones, John Dunn, Dennis Weir, Nancy Gibson, Cynthia Blair, John Nelson, Doris Link, Mary Margaret Lucas, Barbara Lash, Carol Baynes, Lee Capell, Tom and Karolyn Pullen, Kathryn, Isabel and Naaman Jones, Henry Marvin, Norma Reese, and Desiree Young. A special thanks to Dennis Satterfield and Emily Winkler for serving a delicious barbecue meal afterwards and for those who donated bulbs and shrubs.

August 31st, Conspire! Sunday, was a busy and rewarding time for Trinity volunteers in beautifying the grounds at South Fork Elementary School. Several parents and school children dropped by to help with raking, planting mums, trimming shrubs, and picking up twigs and trash. Myers Greenhouse donated plants for this community outreach.

With the arrival of Fall, a time of fruition and glory, there is nothing more spectacular than watching the birds or the leaves falling while sitting on one of the Prayer Garden benches.

The most important question in a capital program is "Why are you doing it?"
No church builds a structure just to have a nice building. No church enhances ministries just to be a bigger church. What people will give their lives to is a God-given purpose.

What is the purpose God calls you and your church to?
During a visioning and listening session last fall our congregation identified our call: "To be a channel of God's love to everyone and a place where people can encounter God in community." We discerned 3 key priorities to carry out this call: 1) A renovation of existing facilities to ensure accessibility and create new possibilities (SEEK) 2) A renewed emphasis on children and youth (SHARE), 3) A deeper growth of relational community and focus on God's will (SERVE).

Why are we renewing our facilities?
To be and do what God calls us to be and do. This program is about reaching and changing the lives of people as a channel of God's love and creating a community and space where people can encounter God in community. The resources raised provide the necessary tools to help us more effectively be a place to Seek, with a message to Share, and a passion to Serve.

Why me?
Your life has been reached, taught, and changed by the witness and ministries of this church. Would you like for others in the future to have a story of faith to tell and a purpose for their lives? Their stories, in part, depend on your faithfulness now.
Children and Laity Sunday

We are asking each ministry group at Trinity UMC—mission, study, choir, UMM, Sunday class, Stephen Ministry, etc.—to come up with a physical symbol or reminder of their group. Please identify one symbol as a group and designate one or two representatives to participate on Laity Sunday!

We will offer these physical reminders of our ministry during the course of service.

_If your group identifies you as their representative, touch base with Lisa at 336.972.3340 or Lisa.TrinityUMC@outlook.com_

Service scheduled October 26th, 8:30 and 11:00 a.m.

For example:

- If I was part of a bible study ministry and we are studying Genesis, I might bring flowers as a reminder of creation.
- If I was a member of the choir, we might bring sheet music or another reminder of our ministry.

Trunk or Treat Fall Fest is comin’ up!

October 26th, 4:30-6:00 p.m.

Please plan to decorate your trunk and join us in a spirit of fellowship and celebration!

We ask decorated trunks to arrive at 4:00 p.m.

At 4:25pm, the left side of the parking lot will be blocked off for child safety. Everyone entering will be asked to enter via the driveway between the main building and education wing. At the close of the event, we’ll reopen both sides of parking and attendees might exit via either exit.

_With questions about the event or how to become involved, contact Lisa at Lisa.TrinityUMC@outlook.com or 336.972.3340_

SSE features Table Talk

The School of Spiritual Enrichment continues each Wednesday through October 15th at 5:45 p.m. SSE includes a delicious meal followed by a special program.

October features a special series called Table Talk. It's designed to bring all ages together for dinner, fellowship, study, and conversation about the key stories of the Bible. Bring a Bible and come ready to dive in.

To get your juices flowing here's a question to consider. What did God create that is not specifically named?

A word of thanks

We wish to express our sincere thanks for your friendship, kindness and prayers during this time of great sorrow. Our sincere thanks to everyone at Trinity United Methodist Church and the ladies' group who provided their time and awesome food after Bruce's memorial service.

Love,
The Family of Bruce Coats
Kitty, Marion, Becca and Willow

Dear Trinity Family,

Just a note of thanks for blessing me for letting me be a part of the church and fellowship in the prayer garden. It has truly been a blessing for me. It is so comforting to know I have an adopted family here. Thanks for your hospitality and love shown to me. May God richly bless each and every one of you. Keep serving when you feel like quitting; it does matter what you do. I'm glad you're here for me. Keep loving like God.

In Christ's Love, Jane Perdue

Dear Trinity UMC,

Thank you so much for providing us a meal for our large group on Thursday. The mac n' cheese was definitely a hit but all of the food was amazing! Wesley has great things in store for this school year and we thank you for your continued support.

In Christ, Anne Scherer
For the Wesley Foundation at WFU

We thank those who participated in the workday on September 13: Jim Jones, Dennis Weir, John Nelson, Cynthia Blair, Brenda Jones, Carol Baynes, Butch Satterfield, Lee Capell, Johnny Dunn, Nancy Gibson, Norm Jones, Kathryn & Isabel Jones, Barbara Lash, Doris Link, Mary Margaret Lucas, Henry Marvin, Tom & Karolyn Pullen, Norma Reese, Emily Winkler, Desire' Young.

A rewarding experience

Recently we sang in Mocksville at New Horizons in an older building which had been a sewing factory. Our audience was a large group of handicapped persons of various ages. During our 32 years of singing ministry, this was the most rewarding performance we have ever given. The enthusiasm, smiles, body movements and many times singing along with us, as well as the big hugs we received at the end, truly touched our hearts. Actually, several of us shed some tears as they showed their appreciation for our being there and asking when we can come back.

We realize more and more that our time is well spent in this ministry and we can thank God for this.

The Morning Glories

The Good Word

We always thank God for all of you and continually mention you in our prayers.

News from the Pews

Bulletins were turned in from our people who visited other churches:

Joe and Mary Hege, Pine Grove UMC, where Mary played for their worship service the last Sunday in August. The church's oldest graves are her "many-greats" grandparents, Joseph and Mary Jones.

Barbara Miller, Concord UMC, her home church whose motto is "Growing in Christ ~ Grounded in Love."

Thelma Schoolfield, Homecoming and Memorial Day Service at Shiloh UMC, in Liberty, and the congregation enjoyed singing "The Church in the Wildwood."
