

Trinity 411

Dear Parents,

Trinity utilizes a "one call now" system to inform you of cancellation of classes or delays due to inclement weather.

- 1) Return the bottom portion of this letter to the Preschool Office listing ONE phone number you would like for us to list in our data base.
- 2) When Orrville City Schools cancels school or calls for a 2 hour delay, we will implement our Trinity 411 call to the number you have turned in to us.
- 3) The call will come through as "unavailable" number on your phone. Please do answer it and listen to the recorded information for more details.
- 4) Information will also be available on Fox News in Cleveland, WQKT (104.5 FM), and Trinity United Methodist Church Facebook page.
- 5) A message will also be posted on the Trinity United Methodist Church's Facebook page.
