

Masterpiece

For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago. (Ephesians 2:10, NLT)

How has God uniquely designed you to serve other people? That's what we're going to be thinking and praying about as we begin a New Year. You may not realize it, but God wants to use the various parts of your life for the good of others. God won't waste any of it - good, bad, or ugly.

In fact, God has created you as one of His masterpieces. God thinks very highly of you. Remember, you are created in God's own image. That in itself makes you a masterpiece!

Long before we were created, God had had a plan in mind for your life. One of the greatest discoveries you can make in this life is to figure out your purpose for living. Wouldn't it be a shame if you didn't take time to discover what that is?

Let's commit ourselves to that process of discovery over the next 6 weeks as we consider what our SHAPE is. The combination of our Spiritual gifts, Heart, Abilities, Personality, and Experiences will help us understand how God wants us to bless others. Are you ready? Let's get going!

PS - Thank you for your prayers for Beth as she has undergone gall bladder surgery this week. She is now home resting and recovering.

Happy New Year's Blessings,

Pastor David
