

Orrville (Safetyville)

32nd Year

Safetyville and Safetyvillage is a week long fun and educational community based program, for the purpose of helping children going into kindergarten in the fall, become more aware of general safety practices. Some of the issues covered include the use of seat belts, traffic safety, poison awareness, fire safety, dealing with strangers, and riding a school bus. Various group games and audio-visual presentations will help to reinforce this information. Class will meet rain or shine, and students will need to dress for outside activities.
