**UMW Mission Moment**

As a retired Chemistry teacher, I see the blessedness of serving the children of the Tracy Jackson program of GIFT as an equilibrium. It is sort of out of balance by the generousness that flows from God.

However, there is a balance between the people involved in the blessing. The children are blessed by the food, activities and fellowship the program provides and the "givers" are blessed by the children's wonder. So, the givers are given and those given to are, also, givers.

## FISH-ing facts of life

Persons who call FISH for assistance have often had the "last straw that breaks the camel's back" occur. Families live on the edge daily just making it financially and then the unexpected happens:

--the car breaks down

--a child is sick and a parent calls off work to stay home

--a parent is hospitalized or ill and cannot work

--downsizing at work and a job is gone

--family relationships are broken and one adult leaves the household

--household problems create a need to move to a new address

Any of these things will cause a loss of a job or income in what is a fragile situation to start.

And, the bills stack up and go unpaid.

Continue FISH-ing with us anytime. Come on board and help those in need with a donation to the FISH tank.

Myrna Yoder, Director of FISH

**UMCOR** is having a 10,000 church challenge this year to promote healthy living. FUMC will be one of these churches to meet the challenge. Watch the bulletin for this upcoming information.

It's flu season again and our kick off is on Oct. 25. You don't want to miss being here that Sunday to ***Shoo the Flu!!***

## Chancel Choir Anthem

### "For the King and For His Glory"

Words & music by: Marty Parks

For the King and for His Glory,  
For the One to whom we sing;  
For the King and for His Glory,  
Honor, love and blessing bring.

For the King and for His Glory,  
For His pure, unrivaled worth;  
For the King and for His Glory,  
Shout His wonders, all the earth!

His glory is unspeakable,  
His matchless beauty unreserved.  
His glory is unsearchable,  
O praise Him! O praise Him!

For the King and for His Glory,  
With a sacrifice of praise;  
For the King and for His Glory,  
Let triumphant anthems raise.

For the King and for His Glory,  
For the God who reigns on high,  
For the King and for His Glory,  
Let His praises fill the sky!

For the King and for His Glory,

Praise Him! Praise Him!

# November Health Tips

Good Samaritan Hospital Health Ministries

## Quit Like a Champion

Get ready to lose the habit, and become victorious over tobacco. The American Cancer Society Great American Smokeout event is your chance to triumph over addiction. Every November, we set aside the third Thursday to encourage smokers to go the distance, and to finally give up smoking.

By quitting — even for one day — you will be taking an important step toward a healthier life — one that can lead to reducing your cancer risk. It's a race for your health, and it starts today. Today's the day that quitters win.

### Benefits of Quitting Smoking Over Time

It's never too late to quit using tobacco. The sooner you quit, the more you can reduce your chances of getting cancer and other diseases.

### Within minutes of smoking your last cigarette, your body begins to recover:

- **20 minutes after quitting**  
Your heart rate and blood pressure drop.
- **12 hours after quitting**  
The carbon monoxide level in your blood drops to normal.
- **2 weeks to 3 months after quitting**  
Your circulation improves and your lung function increases.
- **1 to 9 months after quitting**  
Coughing and shortness of breath decrease. Cilia (tiny hair-like structures that move mucus out of the lungs) start to regain normal function in your lungs, increasing their ability to handle mucus, clean the lungs, and reduce the risk of infection.
- **1 year after quitting**  
The excess risk of coronary heart disease is half that of a continuing smoker's. Your heart attack risk drops dramatically.

# Get ready for Pajama Day!!! November 13th

EVERYONE is encouraged to wear their pajamas to church on Sunday, November 13th! The only catch is that if you wear your pajamas you also need to bring a new pair along to donate to someone in need in our community. All the pj's we collect this year will be staying right here in Troy to be given to families who use our Food Pantry, those in need at the Abuse Shelter and Isaiah's Place.
